Assassins Trail:

Stringer on the Assassins' Trail Lou Cameron, 1987 Journalist Stringer MacKail witnesses an assassination attempt on Teddy Roosevelt's life and must pursue the hired killers *Lincoln's Assassins* James L. Swanson, Daniel Weinberg, 2008-05-20 This definitive illustrated history of Abraham Lincoln's assassination follows the shocking events from the tragic scene at Ford's Theatre to the trial and execution of John Wilkes Booth's coconspirators Few remember them today but once the names Mary Surratt Lewis Powell David Herold George Atzerodt Edman Spangler Samuel Arnold Michael O'Laughlin and Dr Samuel Mudd were the most reviled and notorious in America In *Lincoln's Assassins* James L Swanson and Daniel R Weinberg present an unprecedented visual record of almost three hundred contemporary photographs letters documents prints woodcuts newspapers pamphlets books and artifacts many hitherto unpublished These rare materials evoke the popular culture of the time record the origins of the Lincoln myth take the reader into the courtroom and the cells of the accused document the beginning of American photojournalism and memorialize the fates of the eight conspirators

The Greatest Lie on Earth (Expanded Edition) Edward Hendrie, 2018-09-12 This book reveals the mother of all conspiracies It sets forth biblical proof and irrefutable evidence that will cause the scales to fall from your eyes and reveal that the world you thought existed is a myth The most universally accepted scientific belief today is that the earth is a globe spinning on its axis at a speed of approximately 1 000 miles per hour at the equator while at the same time it is orbiting the sun at approximately 66 600 miles per hour All of this is happening as the sun in turn is supposed to be hurtling through the Milky Way galaxy at approximately 500 000 miles per hour The Milky Way galaxy itself is alleged to be racing through space at a speed ranging from 300 000 to 1 340 000 miles per hour What most people are not told is that the purported spinning orbiting and speeding through space has never been proven In fact every scientific experiment that has ever been performed to determine the motion of the earth has proven that the earth is stationary Yet textbooks ignore the scientific proof that contradicts the myth of a spinning and orbiting globe Christian schools have been hoodwinked into teaching heliocentrism despite the clear teaching in the bible that the earth is not a sphere and does not move This book reveals the evil forces behind the heliocentric deception and why scientists and the Christian churches have gone along with it **Empire of Terror** Mark D. Silinsky Silinsky (author), 2021-07 In *Empire of Terror* Mark D Silinsky argues that Iran is one of the United States deadliest enemies The Islamic Revolutionary Guard Corps known as the Guards bring Iran's sway over much of the greater Middle East and pose a growing existential threat to Western security Providing insights gained from his thirty eight years as an analyst in the U S defense intelligence community Silinsky argues that Iran's political leaders and Guards are animated by aggressive unforgiving and totalitarian principles He draws historical parallels to the Soviet Union and Nazi Germany to compare the intelligence and security services of states with totalitarian aspirations and to illustrate ideological points of intersection a collectivist mindset intolerance for political deviation strongly defined sex roles and hypermasculinity

and a ruthless determination to ferret out and destroy their enemies Silinsky offers biographies and explanations of the ideology that propels some of Iran's leaders with global implications Profiling the perpetrators victims heroes villains and dupes Silinsky shines light on the human and inhumane elements in this distinctly Iranian drama Although the Soviet Union and Nazi Germany have been defeated and belong to history the Iranian threat is very much alive Parasite's Embrace Neelansh,2025-06-17 Liam and Nari are two elite spies loyal precise and unshakable But when Nari is infected by an alien parasite that controls thoughts and erases doubt their perfect mission starts to unravel As Liam investigates her strange behavior he discovers a horrifying truth a hidden organization is using parasites to manipulate agents into carrying out a silent plan for a global reset When Liam himself is infected he's plunged into a world where rebellion is impossible His memories are rewritten his choices no longer his own Yet one thing resists control his love for Nari Parasite's Embrace is a dark psychological sci fi thriller about mind control sacrifice and the quiet power of love In a world where even thoughts can be programmed Liam and Nari must hold on to the only truth that can't be overwritten what they meant to each other and what they lost The Old Man of The Mountain: The 'Trial of the Assassin' Theodore Josiha Haig,2015-10-15 The Old Man of the Mountain The Trial of the Assassin He was a powerful influencing reference as Britain's Bernard Lewis who would become the foremost authority on Islamic history and traditions traced the origins of the Assassin sect in the Shi'ite branch of Islam and began to chronicle both their doctrines and the life of their enigmatic founder the legendary Old Man of the Mountain The Assassins were the first group to make planned systematic and long term use of murder as a political weapon and their ideals and methods have since found many imitators Bernard Lewis was just about to publish in 1967 one of his first books entitled The Assassins Once published it was to be the most comprehensive readable and authoritative account of history's first terrorists When Lewis' book was published Dr Ahmed Abdulla did take some exceptions on one major historical account but in all he was very pleased with the historical context of Lewis' factual history Where they differed would continue to be preserved and concealed unknowingly in Lewis' account as one of the most guarded secrets in the history of the assassin's legacy Ahmed and Iran's self-imposed exiled Ayatollah Khomeini allegedly were two of the very few Shi'ites in the world that knew about this well guarded secret As descendants of the Old Man each was entrusted with continuing to pass the legacy down through history until the call would come to carry out the assassination However it was the one called Ahmed didn't want to get because it was diametrically in opposition to his principles of democracy tolerance and religion Special Forces Cadets 6: Assassin Chris Ryan,2021-02-04 Darius son of an escaped Iranian scientist is a pupil at an exclusive Swiss school but his father's former bosses want him back and have no regard for the boy's LIFE or his FREEDOM The Special Forces Cadets are sent to PROTECT Darius When the assassins launch a DEADLY ATTACK their only escape is into the mountains Pursued by their enemies can the cadets triumph and SURVIVE the deadly natural HAZARDS of the alpine winter The War Inside Allen DeKeyser,2025-08-17 At its core this book is the collision of pain and hope a story

of battles fought not only in the world outside but deep within the human soul *The War Inside The Love That Survived* is a raw and unflinching journey through trauma scars and the quiet wars waged in silence but it is also a testimony to the love loyalty and resilience that refuse to be extinguished Allen DeKeyser opens his heart and pages to share a powerful account of survival the violence that nearly broke him the weight of PTSD and despair and the moments when darkness pressed in from all sides But through it all a constant thread runs strong love The love of family The love of his dogs who became his healers and protectors The love of a wife who stood unshaken through storms The love of faith that whispered life back into wounded places This book is both memoir and manifesto a cry for peace a tribute to endurance and a reminder that while life can carve deep wounds it is love that binds them heals them and helps us stand again Whether you have fought your own battles carried unseen scars or stood beside someone in their struggle *The War Inside The Love That Survived* will meet you with honesty strength and hope It s a book that doesn t flinch from truth but insists on redemption proving that no matter the war inside love can and does survive

Assassin's Creed: The Resurrection Plot Kate Heartfield,2023-07-04 The conspiracies of the Templars reverberate across nineteenth century Europe as they seize control of the future and only the Brotherhood of Assassins can hold them back in this globetrotting adventure from *Assassin s Creed Cairo 1869* When a bomb goes off at the Khedivial Opera House celebrating the opening of the new Suez Canal visiting Assassin Pierrette Arnaud investigates only to uncover a plot to eradicate free will To her surprise her old friend and teacher Simeon Price arrives in Egypt on the same trail seven years after they allied to stop the Templars in London But there s no time to reminisce as the Templars maneuver Europe and Africa like pieces on a chessboard wreaking havoc on a global scale As Simeon and Pierrette race to stop further attacks they unearth plans suggesting a mysterious tower is the key to the ultimate Templar takeover and with the puzzling Engine of History in their grasp the Assassins might be outmatched at last

The Assassins' Game Ralph Sanborn,2015-11-10 The Assassins Game never runs out of ammo surprises as Caleb Frost battles an evil cult of human traffickers and professional killers If youre looking for action and suspense Assassins Game delivers Robert C Yeager New York Times writer and author of *The Romanov Stone* This gripping thriller takes us to the Asian underworld where Caleb Frost confronts his nemesis With rich historical detail the author immerses us in the scene so that were with the characters all the way Lucy Sanna Author of *The Cherry Orchard A Novel* Caleb Frosts sixth sense tickled his brain as he approached his room in Caesars Octavius Tower Regardless of the sources of the subconscious alarms when they entered his conscious awareness he did not question them Training and experience responded to these stimuli Something felt wrong He knew it but not what He drew his P226 gripping it firmly in his hand Sliding the plastic room card into the electronic key slot he waited for the little light to shine green Caleb pushed down on the ornate door handle and slammed the door open He spun with his butt pressing the door flat against the interior wall as his two handed grip on the Sig Sauer drew an arc across the room On the second sweep he saw it Like a deadly nighttime chocolate on his bed
