Birnbaums Los Angeles 1993:

Birnbaum's Los Angeles, 1993 Alexandra M. Birnbaum, 1992-12-04 **Monumental Intolerance: Jean Baffier, a Nationalist Sculptor in Fin-de-Si_cle France** , But Baffier would probably not have received wide public attention if he had not also become a folklorist a promoter of regional culture and a militant nationalist with beliefs so violent that he attempted a political assassination BOOK JACKET *Books in Print Supplement* , 1994 *The Individual and Utopia* Clint Jones, Cameron Ellis, 2016-03-09 Central to the idea of a perfect society is the idea that communities must be strong and bound together with shared ideologies However while this may be true rarely are the individuals that comprise a community given primacy of place as central to a strong communal theory This volume moves away from the dominant current macro level theorising on the subject of identity and its relationship to and with globalising trends focusing instead on the individual s relationship with utopia so as to offer new interpretive approaches for engaging with and examining utopian individuality Interdisciplinary in scope and bringing together work from around the world *The Individual and Utopia* enquires after the nature of the utopian as citizen demonstrating the inherent value of making the individual central to utopian theorizing and highlighting the methodologies necessary for examining the utopian individual The various approaches employed reveal what it is to be an individual yoked by the idea of citizenship and challenge the ways that we have traditionally been taught to think of the individual as citizen As such it will appeal to scholars with interests in social theory philosophy literature cultural studies architecture and feminist thought whose work intersects with political thought utopian theorizing or the study of humanity or human nature *Financing the 1992 Election* John Clifford Green, 2016-09-16 First Published in 1996 Routledge is an imprint of Taylor Francis an Informa company *The End of Racism* Dinesh D'Souza, 1996-09-30 The first comprehensive inquiry into the history nature and ultimate meaning of racism *Birnbaum's Los Angeles, 1994* Alexandra M. Birnbaum, 1994 **Beyond the Double Bind** Kathleen Hall Jamieson, 1995 A breakthrough account of how women can overcome the social binds that block their success As Kathleen Hall Jamieson explores society s interlaced traps and restrictions she draws on hundreds of interviews with women from all walks of life to show the ways they can cut through the restrictions **Gabriel Orozco** Ann Temkin, 2009 From the developer of *Propaganda and Persecution* Renée Poznanski, 2024-01-23 Ren e Poznanski s magisterial history of the French Resistance during World War II offers a comprehensive exploration of the most significant issue in that period s social imaginary the Jewish question With extraordinary nuance she analyzes the discourse around Jews and Judaism that pervaded the Resistance s propaganda and debates while closely examining the fate of Jews under Vichy and after Poznanski argues that Jews in France suffered a double persecution one led by the Vichy government the other imposed by the Nazis Marginalization and exclusion soon led to internment and deportation to terrifying places Meanwhile a propaganda war developed between the Resistance and the official voice of Vichy Poznanski draws on a breathtaking array of sources especially clandestine publications and French

language BBC transmissions to show how the Resistance both fought and accommodated the deeply entrenched antisemitism within French society Her close readings of propaganda texts against public opinions probe ambiguities and silences in Resistance writing about the persecution of the Jews and in parallel the numerous and detailed denunciations that could be read in the Jewish clandestine press This extensive synthesis extends to the post Liberation period during which the ongoing persecution of Jews in Europe and North Africa would be portrayed as secondary to the suffering of the nation The winner of the 2009 Henri Hertz Prize by the Chancellerie des Universit s de Paris Sorbonne Propaganda and Persecution makes major contributions to the study of the Resistance and of antisemitism Lenn J Schramm s English translation brings Poznanski s dynamic prose to life
