

A romantic scene of a couple holding hands over a sunset over the ocean. The sun is low on the horizon, creating a bright reflection on the water. The couple's hands are silhouetted against the bright light of the sun. The sky is filled with soft, orange and yellow clouds. The water is calm, with gentle ripples. The overall mood is peaceful and intimate.

Birth Control Catholic Doctrine:

Catholics and Contraception Leslie Woodcock Tentler, 2004 Catholics and contraception examines the intimate dilemmas of pastoral counseling in matters of sexual conduct Tentler makes clear that uneasy negotiations were always necessary between clerical and lay authority As the Catholic Church found itself isolated in its strictures against contraception and the object of damaging rhetoric in the public debate over legal birth control support of the Church's teachings on contraception became a mark of Catholic identity for better and for worse

Birth Control and Catholic Doctrine Alvah Woodbury Sulloway, 1959 A critical view of the Roman Catholic position based on its own official statements presented against the background of social issues in the United States

Contraception John T. Noonan, Jr., John Thomas Noonan, 2012-06-18 Originally published in 1965 Contraception received unanimous acclaim from all quarters as the first thorough scholarly objective analysis of Catholic doctrine on birth control More than ever this subject is of acute concern to a world facing serious population problems and the author has written an important new appendix examining the development of and debates over the doctrine in the past twenty years

The Contraception Deception: Catholic Teaching on Birth Control Patrick Coffin, 2018-05-01 The Contraception Deception Catholic Teaching on Birth Control by author Patrick Coffin is a comprehensive assessment of the Church's sexual ethic In this expanded revised edition of Sex and Nature What It is and Why It's Good for Your Marriage Coffin demonstrates how the rejection of Humanae Vitae impacts more than just our national birth rates With relevant insight into the development and reception of Paul VI's landmark 1968 encyclical Coffin explains why Humanae Vitae is more timely than ever In The Contraception Deception you'll learn where exactly the Bible teaches against birth control the differences between contraception and natural family planning hint they're more profound than you think why other reproductive technologies fall short of God's vision for marriage and family and most importantly how to rely on the ever present grace of God rather than your own strength in faithfully following this challenging life giving aspect of Christian discipleship

Sex, Violence, and Justice Aline H. Kalbian, 2014-04-03 In 1968 Pope Paul VI published Humanae vitae the encyclical that reaffirmed the Catholic Church's continued opposition to the use of any form of artificial contraception In Sex Violence and Justice Contraception and the Catholic Church Aline Kalbian outlines the Church's position against artificial contraception as principally rooted in three biblical commandments In addition Kalbian shows how discourses about sexuality both in the Church and in culture are often tied to discourses of violence harm and social injustice These ties reveal that sexual ethics is never just about sex it is about the vulnerability of the human body and the challenges humans face in trying to maintain just and loving relationships As Kalbian explores and contrasts the Catholic Church's stance toward condoms and HIV AIDS emergency contraception in cases of rape and contraception and population control she underscores how contraception is not just a private decision but a deeply social cultural and political one with profound global implications Kalbian concludes that even the most tradition bound communities rely on justificatory schemes that are

fluid and diverse Taking this diversity seriously helps us to understand how religious traditions change and develop Sex Violence and Justice will be of interest to students and scholars of Catholic moral theology sexual ethics religion and society gender and religion as well as to specialists and practitioners in public health The Agonising Choice Norman St. John-Stevas,1971 *Birth Control: A Statement of Christian Doctrine against the Neo-Malthusians* Halliday Sutherland,2019-12-19 In *Birth Control A Statement of Christian Doctrine against the Neo Malthusians* Halliday Sutherland confronts the contentious issue of birth control through the lens of Christian ethics and doctrine His work engages critically with the emerging trends of the early 20th century specifically the Neo Malthusian movement advocating for population control through contraception Sutherland s rhetorical style combines theological argumentation with empirical analysis creating a compelling narrative that is steeped in moral philosophy and social ethics thus positioning the book within the broader context of debates around sexuality family and responsibility in post Victorian society Halliday Sutherland a physician and Christian moralist brings his diverse experiences in medicine and pastoral care to the discourse on birth control His commitment to protecting traditional Christian values likely stems from his background and the prevailing cultural challenges posed by scientific progressivism By weaving personal anecdotes with theological reflections Sutherland provides a unique perspective that reflects both compassion and firmness in his arguments against contraception highlighting the moral implications for society at large This book is essential reading for those interested in the intersections of religion ethics and social policy Sutherland s insightful critique of Neo Malthusianism not only challenges contemporary assumptions about personal autonomy and family planning but also serves as a valuable resource for understanding the historical underpinnings of the current discourse surrounding birth control within a Christian framework *The Adaptation of Married Catholics to the Roman Catholic Doctrine of Birth Control* Eugene John Kanin,1954 Catholics and Contraception Leslie Woodcock Tentler,2018-09-05 As Americans rethought sex in the twentieth century the Catholic Church s teachings on the divisive issue of contraception in marriage were in many ways central In a fascinating history Leslie Woodcock Tentler traces changing attitudes from the late nineteenth century when religious leaders of every variety were largely united in their opposition to contraception to the 1920s when distillations of Freud and the works of family planning reformers like Margaret Sanger began to reach a popular audience to the Depression years during which even conservative Protestant denominations quietly dropped prohibitions against marital birth control *Catholics and Contraception* carefully examines the intimate dilemmas of pastoral counseling in matters of sexual conduct Tentler makes it clear that uneasy negotiations were always necessary between clerical and lay authority As the Catholic Church found itself isolated in its strictures against contraception and the object of damaging rhetoric in the public debate over legal birth control support of the Church s teachings on contraception became a mark of Catholic identity for better and for worse Tentler draws on evidence from pastoral literature sermons lay writings private correspondence and interviews with fifty six priests ordained
