

Marjorie Garber **Bisexuality**

in the Production of Everyday Life

"Bisexuality has entered a new historical consciousness, and it is no longer confined to the margins of society. This book is a landmark in the study of bisexuality, and it is a must-read for anyone interested in the history of sexuality." —*David Gauntlett*

Bisexuality And The Eroticism Of Everyday Life

Ronald Fox

Bisexuality And The Eroticism Of Everyday Life:

Vice Versa Marjorie B. Garber,1995 Garber's pathbreaking study of bisexuality as an erotic social and cultural phenomenon explores such topics as schoolgirl and boy crushes sexual threesomes the possibility of a bisexual gene the compatibility of bisexuality with marriage and bisexuality in film psychoanalysis biology and classical myth Photos

Bisexuality and the Eroticism of Everyday Life Marjorie Garber,2013-05-13 Bisexuality is about three centuries overdue nevertheless here it is a learned witty study of how our curious culture has managed to get everything wrong about sex Gore Vidal Bisexuality: A Critical Reader Merl Storr,2013-04-03 Bisexuality A Critical Reader presents the essential primary texts on bisexuality from the last 100 years in an easy to read format Exploring this often controversial concept from a range of perspectives this book places bisexuality in its historical and cultural context and explores its many meanings and uses Merl Storr's introductions give a straightforward overview of the texts included and sets them clearly in the context of debates on bisexuality This collection includes pieces by Henry Havelock Ellis Sigmund Freud Alfred C Kinsey Wardell B Pomeroy and Clyde E Martin and H l n Cixous **A History of Bisexuality** Steven Angelides,2001-09-15 Angelides explores the evolution of sexuology revisiting modern epistemological categories of sexuality in psychoanalysis gay liberation social constructionism queer theory biology and human genetics He argues that bisexuality has functioned historically as the structural other to sexual identity itself undermining assumptions about heterosexuality and homosexuality *Bisexual and Pansexual Identities* Nikki Hayfield,2020-05-12 This book explores the invisibility and invalidation of bisexuality from the past to the present and is unique in extending the discussion to focus on contemporary and emerging identities Nikki Hayfield draws on research from psychology and the social sciences to offer a detailed and in depth exploration of the invisibility and invalidation of bisexuality pansexuality and asexuality The book discusses how early sexologists understood gender and sexuality within a binary model and how this provided the underpinnings of bisexual invisibility The existing research on biphobia and bisexual marginalisation is synthesised to explore how bisexuality has often been invisible or invalidated Hayfield then evidences clear examples of the invisibility and invalidation of bisexuality pansexuality and asexuality within education employment mainstream mass media and the wider culture Throughout the book there is consideration of the impact that this invisibility and invalidation has on people's sense of identity and on their health and wellbeing It concludes with a discussion of how bisexuality pansexuality and asexuality have become somewhat more visible than in the past and the potential that visibility holds for recognition and representation This is fascinating reading for students and academics interested in in bisexuality pansexuality and asexual spectrum identities and for those who have a personal interest in bisexuality pansexuality and asexuality Bisexuality and Queer Theory Jonathan Alexander,Serena Anderlini-D'Onofrio,2014-04-10 According to David Halperin sexuality in our time is typified by a crisis in contemporary sexual definition What is sexuality What does it mean to have a sexual identity or orientation What is the relationship

between sexuality as a knowledge construct on one hand and the often messy flows of desire and practices of love on the other. How and why are some sexual erotic and intimate practices normalized and others marginalized? Queer Theory has emerged in the West as one of the most provocative analytical tools in the humanities and social sciences. It scrutinizes identity and social structures that take heteronormativity for granted that do not question the social construction of heterosexuality as normative in relation to its oppositional binary homosexuality. At the same time, bisexuality is a practice, identity, and orientation that challenges the binary logic around which cultural notions of sexuality are organized. It is a portal to the imagination of a world of amorous expression beyond that divide. This provocative collection presents bisexuality and queer theory as two parallel thought collectives that have made significant contributions to cultural discourses about sexual and amorous practices since the onset of the AIDS era and explores the ideas that circulate in these thought collectives today. We learn much about the construction and experience of sexuality and the power it still holds throughout the contemporary Western world to shape identities and practices. This volume challenges our understanding of what it means to be sexual, to have a sexual identity, and to practise the arts of loving. This book was originally published as a special issue of the *Journal of Bisexuality*.

Bisexual Women in the Twenty-First Century Dawn Atkins, 2013-11-19 *Bisexual Women in the Twenty-First Century* reflects the brave new world of bisexual women's lives through an eclectic collection of articles that typifies an ongoing feminist process of theory grounded in life experience. The book's broad scope addresses a world created in response to lesbian feminism, homophobia within the mainstream women's movement, and sexism within the gay rights movement. The book includes Carol Queen's memoirs of the swinging lesbian scene in the 1970s, a critical examination of Alice Walker's novel *The Temple of My Familiar*, and a look back at the controversy surrounding bisexual inclusion in the Northampton Lesbian and Gay Pride March in Massachusetts in the early 90s. Previous groundbreaking work on bisexuality had to focus on breaking the silence around bisexual invisibility. This collection works from that foundation to explore the complexities and histories of bisexual women's lives. *Bisexual Women in the Twenty-First Century* examines tensions between lesbians and bisexual women, the shifting place of bisexual women in society, the use of skin color as a charged metaphor, the inclusion of bisexuality into queer theory, groundbreaking new work on bisexual youth, the creative use of the sacred whore archetype. *Bisexual Women in the Twenty-First Century* is an essential source of social and political critique and a vital resource for anyone interested in the complex dynamics of human sexuality regardless of sexual orientation.

Current Research on Bisexuality Ronald Fox, 2013-04-03 *Current Research on Bisexuality* is an important resource on recent psychological and sociological findings in bisexual studies. The authors provide research findings and case studies that add to our understanding of bisexual identity, bisexuality and relationships, bisexuality and ethnicity, and attitudes toward bisexual people. This book examines research findings, literature reviews, and a wealth of resources that currently exist on bisexuality and bisexual issues. This book will bring you up to date on bisexual identity development, bisexuality in college students, cross

orientation friendships of bisexual women bisexual married women and men and their spouses bisexuality and heterosexually married couples monogamous as well as open bisexual relationships the interrelationship of bisexuality race and ethnicity attitudes toward bisexual women and bisexual men Current Research on Bisexuality also contains a comprehensive reader's guide to the current social science literature about bisexuality This bibliography brings together a wide range of nonfiction books journal articles book chapters theses and dissertations on bisexuality with a focus in the theoretical research clinical and community perspectives that have developed in the last twenty years This reading list is essential for students educators researchers and practitioners in psychology counseling social work psychiatry education sociology and anthropology Current Research on Bisexuality provides new knowledge of the life experiences of bisexual people With this book you will find a basis for further research and education about bisexuality in the greater context of ongoing research education and advocacy regarding lesbian gay bisexual and transgender issues

Bisexuality in the Lives of Men Erich W Steinman, Brett Genny Beemyn, 2014-06-03 Explore the theoretical political psychological and cultural issues surrounding male bisexuality Bisexuality in the Lives of Men is the first anthology to focus on men who love both men and women The theoretical scientific and literary essays in this landmark volume dispel the fictions that bisexual men are greedy promiscuous confused deceptive unfaithful HIV positive the dominant images of bisexual men in our culture Whether portrayed as a coward who can't quite come out into full gayness or a smooth talking serial killer the bisexual man has been vilified in books and movies In scholarly studies they are often ignored or else lumped together with gay men It is now widely acknowledged that human sexuality is more complex and diverse than the narrow categories gay and straight But while the use of the term bisexual has become much more common in the last decade an understanding of bisexuality itself lags far behind A lack of research on how bisexuality is experienced interpreted and encoded in literature film and other aspects of popular culture means that stereotypes stigma and confusion are still prevalent Bisexuality in the Lives of Men is a multidisciplinary examination of this neglected topic bringing together expertise reflecting divergent approaches and fields to show the whole bisexual man Topics include a thoughtful review and analysis of the public health research on the role of bisexual men in HIV transmission a study of the marital consequences of a husband's bisexuality including couples who have stayed together an analysis of the heartfelt discussions taking place in an online bi male community an empirical study of the ways that bi negativity differs from homophobia an essay bringing together queer theory and social constructionist ideas to explain why bisexual men are much less visible than bisexual women The rigorously analytical yet accessible essays in this volume offer new information and perspectives about male bisexuality Bisexuality in the Lives of Men is an essential resource for anyone interested in the theoretical political and cultural issues of male bisexuality

The Philosophy of Sex Raja Halwani, Jacob M. Held, Natasha McKeever, Alan Soble, 2022-02-28 With twenty five essays seven of which are new to the eighth edition this best selling volume examines the nature morality and social meanings of contemporary sexual phenomena

Topics include sexual desire and activity masturbation Sexual orientation asexuality transgender issues Zoophilia rape casual sex and promiscuity love and sex polyamory sexual consent sexual perversion sexual ethics objectification BDSM sex and technology sex and race and sex work Updated and new discussion questions offer students starting points for debate in both the classroom and the bedroom

Bisexuality And The Eroticism Of Everyday Life Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Bisexuality And The Eroticism Of Everyday Life free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Bisexuality And The Eroticism Of Everyday Life free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Bisexuality And The Eroticism

Of Everyday Life free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Bisexuality And The Eroticism Of Everyday Life. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Bisexuality And The Eroticism Of Everyday Life any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Bisexuality And The Eroticism Of Everyday Life Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
