Bitte Freundlich Say Friendly:

Pigeons on the Grass Wolfgang Koeppen, 2020-10-06 Wolfgang Koeppen's postwar masterpiece in a luminous new translation by the poet Michael Hofmann. Pigeons on the Grass is told over a single day in Munich in 1948. The first new cinemas and insurance offices are opening atop the ruins. Korea and Persia are keeping the world in panic. Planes rumble in the sky but no one looks up. Newspaper headlines announce war over oil and atomic bomb tests. Odysseus Cotton, a black man, alights at the station and hires a porter. Frau Behrend disowns her daughter with their interracial love affair. Carla Behrend and Washington Price scandalize their neighbors who still expect gifts of chocolate and coffee. A boy hustles to sell a stray dog. Mr. Edwin, a visiting poet, prepares for a reading. Philipp gives himself up to despair. Emilia sells the last of her jewelry. Alexander stars as the Archduke in a new German Super production and Susanne seeks out a night to remember. In Michael Hofmann's words, in their sum they are the totality of existence. Koeppen spares no one and sees all in this penetrating and intense novel that surveys those who remain and those who have just arrived in a damaged society. As inventive as Joyce and as compulsively readable as Dickens, Pigeons on the Grass is a great lost classic.

First German Reader for Beginners Lisa Katharina May, 2019-06-26 The book consists of Elementary and Pre-intermediate courses with parallel German-English texts. The author maintains learners' motivation with funny stories about real-life situations such as meeting people, studying, job searches, working, etc. The ALARM method (Approved Learning Automatic Remembering Method) utilizes natural human ability to remember words used in texts repeatedly and systematically. The author managed to compose each sentence using only words explained in previous chapters. The second and the following chapters of the Elementary course have only about 30 new words each. The book is equipped with the audio tracks. The address of the home page of the book on the Internet, where audio files are available for listening and downloading, is listed at the beginning of the book on the copyright page.
