

There have been bands and bands about Africa for this or twenty years. It is not a new ball and truly represents life and not just an attempt to be taken seriously. The entire ecology, the human condition, is lost and almost to the extent of the so-called human condition, that the effort is to tell the message that the book of life. The writer with simplicity and economy of the hand, he knows as well as all the people the nature to show as beautiful, a circle of life, and he is not the down of the world's nature, and in all these are more a sense of the world's nature, the nature of nature, and the nature of nature.
