Bitesize Theology An Abc Of The Christian Faith:

Bitesize Theology Peter Jeffery, 2000 In this easy to read book Peter Jeffery shows us just how tantalizingly enjoyable Bible teaching can be With short but solid chapters he outlines the ABCs of the Christian faith Each of the chapters is bite sized There is just enough to manage at one time and there is much to nourish the mind as well as to warm the heart *The Essence of the Christian Faith* Adam Murrell, 2009-03-01 More than at any time in the past today s evangelicals struggle to understand what the essence of the Christian faith really is The basic teachings of Jesus Christ have been lost in many pulpits and have been replaced with feel good doctrines foreign to God s Word Christians who want to defend their faith must first have a basic understanding of what it is and how to support it with Scriptural proofs This book assembles the fundamentals of the Christian religion in an easy to read question and answer format Whether you are continuing your pursuit of biblical knowledge or just beginning this little instructional book will go a long way toward achieving your goal Training Young Hearts for Christ Adam Murrell, 2014-06-20 Many people react negatively to the word catechism viewing it with suspicion in the belief that it involves rote repetition of obscure points of doctrine But nothing could be further from the truth While there is little doubt that memorization has been an overlooked method of teaching there are good reasons why Christians should retain this ancient practice of instruction Training Young Hearts for Christ is anything but a dry discussion of minute points of doctrine Instead Adam Murrell offers fresh helpful insights into some of Christianity s most cherished catechisms by presenting gospel truths to a young and modern generation in plain language that makes this complex subject easily understood In so doing he reminds all of us of what God has done for his people in this world and in the one to come

Robert Palmer, 2011-11 **God's Heart... Our Hope** Robert Palmer, 2012-02-19 The bumper sticker announced Hope Is Everything The message sounds compelling but something is missing If hope is to be potent it first must be grounded in the core teachings of Scripture Anything less will never hold up it will only fold up This book has been written for the hungry hearts of Gods people in the pew The objective is this to explain the faith once delivered to the saints Jude 3 in such a way that minds will be nourished hearts warmed and wills inspired to respond with joy I love this book A real life changer Carol Bleich Elementary School Teacher Revealing and reliable A masterful assembly of scripture Hal Green Vice President NBC News retired Well worth having in your library and on your night stand John Hunter Retired Executive Monsanto Solutia Revolutionary in simplicity the writing is compelling Tamra Nashman Author Lecturer Business Woman Very well written Truly honors our God of love Barbara Carol Former Associate Editor The Paris Review **Grandparenting**

(Grandparenting Matters) Dr. Josh Mulvihill, 2018-12-04 Many powerful voices are influencing our grandchildren from those at home and in their schools to those in the world of entertainment and media What can you as a grandparent do to speak wisdom and godliness into their lives Grandparenting gives you a biblical foundation for investing spiritually in your grandkids walking you through the principles of influencing them for Christ from sharing with unbelieving grandkids to

discipling them into a mature faith This book is perfect for individual use small groups or Sunday school classes A Grandparenting DVD is available that features eight family ministry experts with over five hours of video content Two other resources are also available Biblical Grandparenting is a full length leadership book that places grandparenting ministry on a firm scriptural foundation It is ideal for pastors and church leaders as well as for use in the classroom at seminaries Equipping Grandparents is a brief book to teach pastors how to begin a grandparenting ministry in their church

Equipping Grandparents (Grandparenting Matters), 2018-12-04 Many powerful voices are influencing our grandchildren from those at home and in their schools to those in the world of entertainment and media What can you as a grandparent do to speak wisdom and godliness into their lives Equipping Grandparents is a brief book to teach pastors how to begin a grandparenting ministry in their church **The Power of Truth in Perilous Times** Marcus E. Drake, 2024-09-25 Real Hope in the Midst of a Culture Gone Awry Yes we live in this kind of culture and world However it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him the more he will work in us and through us during the perilous times in which we live Therefore in thinking about the extraordinary impact biblical truth can have on our society this book focuses on three vitally important areas in the Bible how God reveals his existence through nature and his Word how he discloses his character through his attributes and promises and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image Thus the purpose of this book is to lead believers into a deeper understanding of what God is like a deeper understanding of what he has promised to those who know him and a deeper understanding of the unshakable hope and strong encouragement we have in God's Word as we live in a confused and deteriorating culture Rather than simply decrying the devastating changes in our nation and world this book clearly proclaims the hope that is ours in the very nature and character of God himself the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation A God centered truth loving Christ exalting approach to life changes everything **The Bloomsbury Handbook to Studying Christians** George D. Chryssides, Stephen E. Gregg, 2019-11-14 Drawing on a range of methodologies editors George D Chryssides and Stephen E Gregg shift attention from normative textual and doctrinal matters to issues of materiality and everyday life in Christianity This handbook is structured in four parts which include coverage of the following aspects of Christianity sacred space and objects cyber Christianity food prayer education family life fundamentalism and sexuality In addition issues of gender race and ethnicity are treated throughout The international team of contributors provide in depth analysis that highlight the current state of academic study in the field and explores areas in which future research might develop Clearly organised to help users quickly locate key information and analysis the book includes an A to Z of key terms extensive guides to further resources a comprehensive bibliography and a chronology of landmark events making it a unique resource to upper level students and researchers Mixed Ecology Ed Olsworth-Peter, 2024-07-18 Mixed

ecology is a term used to describe how traditional parishes co-exist with fresh expressions church plants and pioneer ministries. Ed Olsworth Peter explores what an integrated mixed ecology of Church looks like in a post-pandemic world. As society begins to come to terms with the cultural and financial impacts of the last couple of years, the way we meet as church and how we reach out to those within our communities needs to be reconsidered. The Church of England's new vision and strategy includes three priorities, one of which is that mixed ecology is the norm. Much has been written about the mixed economy ecology of Church over the last 15 years across a range of traditions and denominations, but what hasn't been explored as such is the connectivity and dependency between different local expressions of church and the value of co-growing alongside one another for their mutual health and missional development. More than ever, there is a need for the church to be one body unified yet distinctive, aware of the gift of its breadth in a global ecosystem that together recognises and resources different expressions of church. This book will help church leaders and worshipping communities to understand their place within the mixed ecology, the value of growing their own local ecosystem, and how to develop a physically gathered, digital and hybrid ecology of Church. Offering cultural, ecclesiological and missional insights coupled with practical application, it draws on the voices of respected theologians, authors and church leaders in the UK and USA.
