Aung Mye Thaw

"The size of your dreams must always exceed your current capacity to achieve them. If your dreams do not scare you, they are not big enough."

The Johnsons

"In spite of everything I still believe that people are really good at heart. I simply can't build up my hopes on a foundation consisting of confusion, misery and death."

Anne Frank

"America's greatest contribution to the world is its concept of democracy, its concept of freedom, freedom of action, freedom of speech, and freedom of thought."

Benazir Bhutto

"If society will not admit of woman's free development, then society must be remodeled."

Dr. Elizabeth Blackwell

"I was the youngest girl among my siblings, a simple village girl, who perhaps was luckier than other siblings as I have the chance to go to school."

Malala Yousafzai

"Dinner or tea? We all discover that the important moments in life are not the celebrated ones, not the birthdays, the graduations, the weddings, not the great joys achieved. The real milestones are less pronounced. They come to the door of memory unannounced, some days they arrive in, well, around a lot and simply never leave. Our lives are measured by these."
