Becoming a Person of God Sunny Philip, 2011-06-10 King David of ancient Israel was more than a song writer and a warrior A close look at his life shows an intricate personality with so many ups and downs just like all of us Called for the great task of establishing the nation at a very young age we see him cracking under pressure making mistakes taking daring chances and taking huge leaps based on his unshakable trust in God He was denied recognition he was cheated he was ridiculed he was threatened and chased around like a mad dog But he never forgot his mission in life He struggled as a husband as a father and as a leader But he never gave up He succeeded in the end in fulfilling his destiny and led the nation of Israel to its greatest heights Davids life story is truly inspirational All of us who want to reach our destiny will find a true role model in David with whom we can identify with and from whom we can learn Dr Sunny Philip covers all the major turning points in the life of David and unearths precious nuggets of practical wisdom in this book Dr Sunny Philip is the Senior Pastor of Gateway World Christian Center in Long Island New York He has degrees in Chemistry Chemical Engineering and Theology He has ministered on all continents of the world as a Bible teacher and conference speaker He lives with his wife and three adult children in Long Island New York

FATHERHOOD TO THE NATIONS Luiz Hermínio, 2020-06-27 And the things you have heard me say in the presence of many witnesses entrust to reliable people who will also be qualified to teach others 2 TIMOTHY 2:2 These words of the Apostle Paul embody the heart of the succession of an apostolic revelation Apostolic foundation on Christ is an expert work Undoubtedly believing that who sees the Son sees the Father is the way to structure our beliefs under the correct foundation Yeshua the Messiah No one can go to the Father except through Him and we cannot substantiate anything as a church unless it is structured on this foundation Gathering relevant Kingdom messages in a compendium capable of translating a little of what Fatherhood has been living in these years of calling is challenging but these pages tell a story to the heirs of the Kingdom Fatherhood to the Nations is not a bedside book it is a divine inspiration for the ministry of faith It would be too superficial to turn this work into a manual that proposes embedded lessons of leadership for methodological discipleship The purpose of this blunt message is to activate the divine particle that exists in you to the point of awakening it to the revelation of the heart of God and healing the wound of the nations Reading this book will lead you back to the most faithful trait of God's essence The Father Prepare for intense confrontations and loving consolations when at times you are corrected and embraced in others Here a father will tell you tender secrets and wise counsel that will bring you direction protection and identity In every word a cure will come In each sentence a new instrument of alignment for your vocation And in each chapter a sweet revelation

What on Earth Is God Doing? Rob Good, 2024-08-16 Do you ever question what life is supposed to look like Are you

tired of large institutions trying to make you into their best version of you The pages of this book are filled with the discovery of what God is doing for you He s working so you can live an optimal life But how No institution directs this because God does the work Himself Through looking at historic and modern examples author Rob Good navigates the clear and repeatable cycle on which God is taking us The goal of this book is to help you connect your experience with God s faithful rhythms You will track your own spiritual journey and develop new expectations to participate with God s action He has been doing this in people s lives for centuries and is doing the same thing in you Finally if you ve never attended church or don t believe in God this book will introduce a God who is at work even if unacknowledged Our perception does not impede His action It is time to discover what on earth God is doing God is Changing Your Field De Wet Steyn,2015-06-26 Join Pastor De Wet Steyn on this brief overview of the life of David the giant killing boy king If we are born of God then His desire for us is to experience overcoming and victory And if this is true then why are so many living defeated lives The answer is because of a lack of faith The purpose of God Is Changing Your Field is to stir up your faith to run toward your giants and experience victory and a change of field Throughout history God has always chosen ordinary men and women empowered them through His anointing and then used them to change the world Goliath may have had the height advantage but David had the anointing advantage meaning the invisible favor of God is greater than whatever visible obstacle you are facing The very fact that you find yourself in a battle must be an indication that your present season is coming to an end God is about to change your field

The Branch Exposition of the Bible, Volume 2 Michael A. Eaton,2024-09-30 A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and ordinary Christians alike to help open God s word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit Together with the New Testament volume this exposition of the Old Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the Old Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture God Is Impassible and Impassioned Rob Lister,2012-11-30 Modern theologians are focused on the doctrine of divine impassibility exploring the significance of God s emotional experience and most especially the question of divine suffering Professor Rob Lister speaks into the issue outlining the history of the doctrine in the views of influential figures such as Augustine Aquinas and Luther while carefully examining modernity s growing rejection of impassibility and the subsequent evangelical response With an eye toward holistic synthesis this book proposes a theological model based upon fresh insights into the historical biblical and theological dimensions of this important doctrine
