Selected Excerpts Chess Life ,1997 **Winning the Won Game** Dr. Danny Kopec,2015-07-30 Every chessplayer who

aspires to achieve chess mastery must learn the techniques for winning a won game It is the perennial problem which

confronts players at all levels of play This book will enable chessplayers to better recognize their positional advantages and

the ways in which these can be used in order to bring them closer to victory It also provides many instructive examples of

using this knowledge to reach a faster and more spectacular victory Mr Paul M Albert Jr has been donating over 2000 per

year to the most brilliantly played at both the Women s and Men s United States Championships for over 20 years This book

presents describes and illustrates the most significant examples with emphasis on what can be learned from them in terms of

winning a won game *Born Whole* Mr. G.,2008-10-16 Abolishment of an old mafia tradition a person must be born 100%

Sicilian or Italian to be a member of the mafia The book is about two nearly identical bi racial brothers their father is a black

American One brother is an black Sicilian born and raised in Sicily by his Sicilian mother and a Mafiosi member The other

brother Senator Joseph Cicero is a black Italian American a son of an Italian American woman U S Senator Cicero became

president on November 4 2008 and was inaugurated on the 20th day of January 2009 He was sworn in as the 44th president

of the United States of America becoming the first black Italian American to assume the position in the White House The New

York agents and my Italian co workers said that I wouldn t live to see an black American elected to become a president in the

United States and I Mr G truly believed them They rejected my book in the spring of 2005 because of having unusual

characters one an black American president and two a mafia member I was told that the American people wouldn t believe

that my fictional story was true because there never was and there will never be a U S black American president Italian

members of the Italian and Sicilian Cosa Nostras Mafiosi from the Bronx to Kenosha Wisconsin said to me that my character

the Sicilian could not have been a member of the mafia because he has black blood following through his veins he wasn t

born whole My readers tell me that Joseph Cicero my fictional black American Italian character resembles President Barack Obama the 44th president of the United States of America I started writing this book Born Whole in 1998 it was finished on January 2004 I am now 72 years old *Kurt Richter* Alan McGowan,2018-11-21 German master Kurt Richter 1900 1969 made significant contributions to the chess world as a player and as an editor and author Unassuming in real life Richter was a fearsome opponent who expressed himself mainly through his over the board results as well as through his chess journalism and literary output He was responsible for several innovative openings some of which gained renewed status in later years This overview of his life and games sheds light on a player who should be better known with much never before seen material Examples of his entertaining writings on chess are included some featuring his fictitious student opponent Dr Zabel A wide selection of games illustrates the surprising combinations and brilliant style of play that earned him the title The Executioner of Berlin
