Beau James:

Miller's Modern Acting Drama, 1833 **The Beulah Spa. A Burletta, Etc** Charles Dance, 1833 **The Money Trail** Robert G. Folsom, 2010-04 The untold story of the man who followed the money to bust Al Capone and clean up America's first great crime wave *Nightclub City* Burton W. Peretti, 2011-03-23 In the Roaring Twenties New York City nightclubs and speakeasies became hot spots where traditions were flouted and modernity was forged With powerful patrons in Tammany Hall and a growing customer base nightclubs flourished in spite of the efforts of civic minded reformers and federal Prohibition enforcement This encounter between clubs and government generated scandals reform crusades and regulations helped to redefine the image and reality of urban life in the United States Ultimately it took the Great Depression to cool Manhattan's Jazz Age nightclubs forcing them to adapt and relocate but not before they left their mark on the future of American leisure *Nightclub City* explores the cultural significance of New York City's nightlife between the wars from Texas Guinan's notorious 300 Club to Billy Rose's nostalgic Diamond Horseshoe Whether in Harlem Midtown or Greenwich Village raucous nightclub activity tested early twentieth century social boundaries Anglo Saxon novelty seekers Eastern European impresarios and African American performers crossed ethnic lines while provocative comediennes and scantily clad chorus dancers challenged and reshaped notions of femininity These havens of liberated sexuality as well as prostitution and illicit liquor consumption allowed their denizens to explore their fantasies and fears of change The reactions of cultural critics federal investigators and reformers such as Fiorello La Guardia exemplify the tension between leisure and order Peretti's research delves into the symbiotic relationships among urban politicians social reformers and the business of vice Illustrated with archival photographs of the clubs and the characters who frequented them *Nightclub City* is a dark and dazzling study of New York's bygone nightlife **The Complete Index to Literary Sources in Film** Alan Goble, 2011-09-08 No detailed description available for *The Complete Index to Literary Sources in Film* **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1977 **The Road to Comedy** Donald McCaffrey, 2004-12-30 Although Bob Hope has been the subject of many biographies no book yet has fully explored the comic persona he created in vaudeville and radio brought to fruition in dozens of films from the 1930s through the 1960s and made a lasting influence on comedians from Woody Allen to Conan O'Brien Now in *The Road to Comedy The Films of Bob Hope* noted film comedy authority Donald W. McCaffrey finally places Hope in his well deserved position among the highest rank of film comedians of his era Drawing on archival materials and interviews with collaborators McCaffrey analyzes each major film in depth with due attention to particular sequences that reveal how Hope created a unique comic personality that lasted over dozens of very popular films from the Road movies with Bing Crosby through such underrated classics as *Son of Paleface* *Monsieur Beaucaire* and *Casanova's Big Night* In so doing McCaffrey introduces readers to a Bob Hope now overshadowed by his own reputation We see here that Hope's significance has been greater than any USO appearance or

television special might suggest Because many of these movies have recently been made available on DVD the first time in decades that they've been easily available to the general public the volume will also serve as an excellent introduction for those wanting to see these films for the first time

Whippoorwill Sharon Sala, 2021-09-15 A frontier saloon girl longing for excitement gets more than she can handle in the funny heart warming debut of the bestselling Whippoorwill trilogy Deborah Smith New York Times bestselling author Orphaned at age twelve all Leticia Murphy wants is love a family and a happy ever after But the Kansas territories are a difficult place and Letty has to do what it takes to survive Now she's the last saloon girl in the rough and tumble town of Lizard Flats a place where happy ever afters are nothing but a dream Until that is a preacher from the East comes to town The man of God isn't quite as holy as he seems And when he turns up dead in Letty's bed off sets a chain of unfortunate and hilarious events that will take Letty out of Lizard Flats in the company of Eulis Potter the town drunk on a trail that no one could have seen coming Wear a corset because your sides will hurt from laughing This is Sharon Sala at top form You're going to love this touching and memorable book Debbie Macomber 1 New York Times bestselling author Whippoorwill is a funny heart warming story set in a raw untamed land and rich with indelible characters Deborah Smith New York Times bestselling author Masterfully crafted players and a story with a lasting sense of hopefulness Romantic Times

The Whippoorwill Trilogy Sharon Shala, 2021-09-30 Experience the New York Times bestselling author at top form includes Whippoorwill The Amen Trail and The Hen House all in one volume Debbie Macomber From bestselling author Sharon Sala comes the trilogy following Leticia Murphy on her adventures that take her from the Kansas Territories to Denver City and from reluctant saloon girl to happily married woman Orphaned at age twelve all Leticia Murphy wants is love a family and a happily ever after But the Kansas territories are a difficult place and Letty has to do what it takes to survive Now she's the last saloon girl in the rough and tumble town of Lizard Flats a place where happily ever afters are nothing but a dream Praise for The Whippoorwill Trilogy Sharon Sala has created a one of a kind unforgettable character in Letty Murphy Her rags to riches story is a mythic journey filled with moments of devastating emotional truth and soaring triumph Susan Wiggs 1 New York Times bestselling author No one does love and laughter like Sala You'll definitely want to take a journey down The Amen Trail Joan Johnston New York Times bestselling author Sharon Sala works her familiar magic and creates a story line that grabs your attention along with a cast of unlikely characters who work their way right into your heart Jasmine Cresswell USA Today bestselling author Wear a corset because your sides will hurt from laughing You're going to love this touching and memorable book Debbie Macomber 1 New York Times bestselling author

In Strange Woods Claire Cray, 2020-08-28 Gothic gay romance in the stormy coastal woods of the Pacific Northwest On a downward spiral after a horrifying loss wealthy New York photographer James Worthington Crane flees to the rural Oregon Coast in search of a puzzling inheritance But when he pulls into the decaying seaside town of Brooks everyone seems to mistake him for a bad boy named Beau Now James must push through his grief to unravel a tangled web of family secrets with help from a soft

spoken local contractor by the name of Hunter Hunter Quaid's been on his own since the age of fifteen. It's taken years of hard work and healing to build the simple life he has now: fixing up seaside houses while living alone by the river. Then James blows in like a winter storm, disturbing the peace and stirring up dreams Hunter thought he'd given up. As their lives and histories intertwine in unexpected ways, they find out what it means to know where you belong. From the author of *Merrick and Hidden Talents* comes an eerie, sensual romance inspired by the rugged beauty and offbeat history of Pacific Northwest timber country. *In Strange Woods* moves through ancient old-growth forests, abandoned logging roads, ramshackle seaside towns, decaying homesteads, coastal highways, and the stories hidden in the trees. This book contains references to grief, mental illness, alcohol abuse, suicidal ideation, suicide, and murder. A detailed list of content warnings can be found on the author's website.

Reviews for *In Strange Woods*: I was dragged into the forest and lost among the trees until the very last word: a mystery and a thriller and a romance all woven together in a stunningly well-written story. *Wine Drunk Reviews*

Enthusiastically recommended: *Boy Meets Boy Reviews* A really well-written, hurt/comfort/mystery story that provides a well-deserved happy ending. *Love Bytes* Refreshingly different with characters who are real but at the same time straight from our fantasies. Most of all, for me, it is fantastic how it utterly transforms soul-sucking devastation to a new beginning full of love, promise, and joy. *Kimmers* Erotic Book Banter The book feels both special and unusual, and the characters are real and raw and flawed and wonderfully relatable. The writing borrows from the Gothic tradition; the descriptions of coastal Oregon are dark and eerie, and there is a fabulous sense of claustrophobia despite the immense open spaces. *Wicked Reads* *In Strange Woods* has exactly what I love in a book: a bit of everything. Offering suspense, surprising reveals, a quiet romance with undeniable chemistry, great characters, poignant moments, and some heartbreak, this story completely ensnared me. *Bayou Book Junkie* Both James and Hunter's characters were so easy to become attached to with every page read and don't even get me started on their incredible chemistry. Physically, it will have you rooting for them to stay together permanently, just like *I Was Making It Happen*. This intriguing adult gothic gay story has interesting twists that keep one turning the pages, and beautiful imagery that immerses one in the unique area of the Northwest: an eerie and entertaining read. *The Reading Addict*
