Beaver Dam In Vintage Postcards:

Beaver Dam in Vintage Postcards Roger Noll, 2005 In 1841 Thomas Mackie journeyed south along a winding river to an open meadow. There, alongside a bubbling spring, he erected a small cabin, establishing the beginnings of the community now known as Beaver Dam, Wisconsin. The city gained fame as the jewel of Dodge County, a family community that stressed hard work, good play, and awe for the almighty. This book examines that lifestyle through the unlikely means of the penny postcard. It is ironic that the postcard, which was meant to act as a disposable means of communication, has endured to become one of the greatest resources of pictorial history of small town America.

New Philadelphia in Vintage Postcards Erin L. VanFossen, 2004 In 1772, Native Americans granted land in the Tuscarawas Valley to Moravian missionary David Zeisberger, and he established the Christian community of Schoenbrunn Village, which remained until 1777 when members were forced to relocate. Then, in late 1804, John Knisely, his family, and other pioneers braved the western frontier and settled on the Tuscarawas River near the Schoenbrunn Village site. On October 23, 1804, John Knisely founded the town of New Philadelphia. He was a great philanthropist, donating land to the city for future public buildings, guaranteeing its selection as the Tuscarawas County Seat. In Schoenbrunn Village, which has been partially excavated and rebuilt as a historic site, New Philadelphia missionaries lived in harmony with Native Americans, and so it seems fitting that New Philadelphia, through the influence of John Knisely's generosity, has maintained its image as the new city of brotherly love. Two hundred years later, the city strives to keep Knisely's dream alive with its generous allocation of resources and commitment to those in need.

Somerset County in Vintage Postcards John E. Jacob, Jason Rhodes, 2001 When Somerset County, named in honor of Lord Baltimore's sister Lady Mary Somerset, was first established by the Colony of Maryland in 1666, it encompassed more than 16,000 square miles on the Eastern Shore, including what are today's Worcester and Wicomico Counties and part of lower Delaware. By the end of the 18th century, the county, much smaller in geography, by then had become home to more than 15,000 residents. Communities such as Crisfield, Deal Island, Princess Anne, Smith Island, and others have thrived since that time with the industries of agriculture, seafood, and tourism, sustaining the hardworking and spirited residents who have made their home in this county by the Chesapeake Bay.

Bennettsville and Marlboro County in Vintage Postcards Jerry Thomas Kendall, 2003 Nestled in South Carolina's Pee Dee region, Bennettsville serves as the seat of Marlboro County. In the early days, agriculture moved the city forward quickly, turning it into one of the Palmetto State's wealthiest communities. Legend says that the land is so rich it was once sold by the pound. Stately homes dating back to the agricultural glory years still stand, reminding residents of early prosperity. Many downtown buildings have their original Victorian store fronts and are considered to be architectural gems. Even today, Bennettsville's Main Street exemplifies the American small town from the turn of the 20th century.

Marion County in Vintage Postcards Billy Frank Morrison, 2005-08-24 Carved out of Native American land in 1817, Marion County, Tennessee, has maintained its primitive beauty. The county grew with towns such as

Monteagle Martin Springs Sequatchie and South Pittsburg springing up on the banks of the Tennessee River throughout the Sequatchie Valley and atop the Cumberland Mountains Today it is home to nearly 30 000 people In this pictorial history Marion Countys colorful and fascinating past is illustrated through over 200 vintage postcards drawn from the authors personal collection This book was the culmination of a long standing interest in postcards and Marion County as well as a deep kinship with its people **Around Cooperstown** Brian Nielsen,Becky Nielsen,2000 Best known today as the Home of Baseball Cooperstown and the Otsego Lake area are rich in history and unlike many places much of this heritage remains intact Thus the Cooperstown area is said to offer us a step back in time You will not find any fast food restaurants or chain stores here A majority of the original buildings are still in use serving as small shops offices banks and other businesses Each of the nearby villages Cherry Valley Springfield Milford Hartwick and Index has its own incredible architecture and its own story to tell Otsego Lake is the famed Glimmerglass in the writings of Cooperstown s favorite son James Fenimore Cooper The area also boasts the Glimmerglass Opera the Leatherstocking Golf Course and historical museums including the National Baseball Hall of Fame Great Lakes and Midwest Catalog Partners Book Distributing,2006 Greetings from the Lincoln Highway Brian Butko,2019-05-31 The Lincoln Highway was the first continuous road to connect the coasts allowing newly motorized Americans to cross the country by car This book allows readers to travel across 100 years of the highway from New York City to San Francisco with stops at historic landmarks bridges taverns movie palaces diners gas stations ice cream stands tourist cabins and roadside attractions Color maps and stories of the highway take readers through 14 states with excerpts from memoirs and old postcards giving a feel for what early motoring was like the good the bad and the muddy The book is organized by state with narrative information on what the original Lincoln Highway crossed through There are historical tidbits and nostalgic details along with information on what remains This book is a useful treasure for travel planning and armchair reading *The John Robinson Family of Wisconsin* Roger A.
