Beavers Welcome To The World Of Animals:

Beavers Rachel Poliquin, 2018 Uses humor to describe why the beaver is such an extraordinary animal *Welcome to the Spirit World* Sharon Margolis, 2018-08-22 Welcome to the spirit world Allow me to introduce you to the universe of metaphysics Based on my personal experiences this book explains the fundamental concepts of psychic phenomena While in the spirit world my thoughts and emotions were shared first by my friend Ruth and later by others as though we had one mind I felt their fears and desires their awe and adventurous spirit They knew mine as well Yet back in our body we could only communicate through the spoken word We journeyed to the land of the dead danced in the eternal light delved into spirit worlds none of us dreamed existed Specters of the dark side guided us through their realms Shaman in the twilight wolf wilderness Spirit Bird in the Valley Of The Birds Joel the medieval Irishman in the Record Of All Time Ruth and I thought our travels together were wondrous accidents until it happened again and again Each experience was more complex and powerful than the last Our journeys were never planned nor did we discuss beforehand places we had discovered while there alone Neither of us wanted to plant subconscious hints as to where we should go or what we should do But once we were there we led each other to our secret places dimensions and past lives of which the other person had no knowledge This book tells of my experiences on the astral planes with Ruth alone and with other travelers It also includes explanations of metaphysical topics such as astral travel channeling and metaphysical energy This should help you to understand the goings on during my journeys as well as afford you a sound base for further investigations Take my hand and let us begin our voyage
