The woman on the left is wearing a blue and white plaid skirt and a matching jacket, with a white cap featuring a red rose emblem. The woman on the right is wearing a yellow and black plaid skirt and a matching jacket. They are both looking towards the camera. The background shows other people and trees, slightly out of focus.

Bagwell, Michelle E. Schmidt, 2013-01-10 Highly readable and comprehensive this volume explores the significance of friendship for social emotional and cognitive development from early childhood through adolescence The authors trace how friendships change as children age and what specific functions these relationships play in promoting adjustment and well being Compelling topics include the effects of individual differences on friendship quality how friendship quality can be assessed and ways in which certain friendships may promote negative outcomes Examining what clinicians educators and parents can do to help children who struggle with making friends the book reviews available interventions and identifies important directions for future work in the field **The Trouble with Chasing Aileen** Alicia J. Chumney, In a series of distracted events Aileen Hastings never expected to be mistaken for her younger sister Ashlynn It is one thing for the new

guy Noah to mistake her for her sister but it's another thing for him to read her the riot act over how she treated his younger brother. As much as the in-control Aileen wants to dislike the impulsive and semi-charming Noah, she finds herself pulling away from him. Noah Grayson finds himself intrigued by the prickly Aileen. The more they spend time together, the more he wants to know. Will he ever work his way behind her wall of focus and emotions, or will Noah give up and move on? It can be read alone, but characters from the first book, The Consequences of Being Aiden Ainsley's Story, make a few appearances. **Political Formation** Jenny

Leith, 2023-01-31 What might it mean for us to be formed as disciples not only by the church but also by the world? In *Political Formation: Being Formed by the Spirit in Church and World*, Jenny Leith argues that ethical and political formation of Christians takes place through the work of the Spirit both in the church and in civic life, and the church too has something to learn from wider political practices and movements. This account of formation places centre stage a reckoning with the forms of exclusion and marginalisation that mar the church and yields an understanding of the church as not only ethically formative but also in constant need of being formed itself. Offering a fresh vision for ecclesiology which grapples with the ethical failings of the church and takes seriously the need for the church to keep on recognising and repenting of its sins, the book offers a major new contribution to discussions around Christian formation and the relationship between discipleship and ethics. *ENID (BOOK 1)* Eileen Sheehan, 247-01-01 *ENID Book 1* of a fantasy trilogy is a tale of courage, discovery, and destiny. In the aftermath of a devastating dragon attack that leaves her village in ruins, Enid, a fierce and skilled warrior, seeks refuge in a neighboring village. She soon discovers that the villagers are locked in a desperate battle against relentless trolls who are hunting the runaway elfin princess they gave sanctuary to. Unaware that her path will lead her into the heart of the elfin kingdom, Enid joins the fight. There, within the halls of the elfin king's palace, she uncovers secrets that have been hidden for generations—secrets that shake the very foundation of her identity. As palace intrigue unfolds and ancient rivalries resurface, the truth about her origins is revealed. This forced her to confront her destiny and the role she must play in a looming conflict that threatens to engulf the entire realm. Enid's journey will redefine not only who she is but what she is capable of becoming. What Reader's Favorite has to say: 5 star review. Reviewed by Foluso Falaye for Reader's Favorite. Review Rating: Enid by Eileen Sheehan welcomes readers into a fascinating magical world filled with dragons, elves, trolls, and other amazing characters. This is a nuanced tale that involves fierce fighters, engaging politics, and enthralling war scenes. Enid vows to avenge the deaths of her parents and punish those behind the destruction of her village. She also finds herself falling for Logan, who happens to be a warrior among her new friends in another village. Unfortunately, Logan seems to have his eyes on rescuing a very beautiful princess with a mysterious past. Meanwhile, the evil plans of the elves unfold as they become more powerful and strike fear in the hearts of anyone who stands in their way. Enid and her new friends must unravel the secrets that can drastically improve their odds of winning the battles they face. I was captivated by the protagonist's

determination to succeed and defeat her enemies As Enid and her fellow fighters recover from sudden attacks and prepare for more intense battles they discover chilling secrets about their foes and plot ways to counter the threats they face despite being close to defeat The book explores the theme of magic quite brilliantly I enjoyed reading about the magic that can control dragons and seeing the characters seek ways to gain access to untapped powers Also the book offers some exciting romantic scenes Enid and Logan s buried feelings for each other create an alluring suspenseful atmosphere that keeps resurfacing tastefully throughout the narrative Ultimately any fantasy fan who chooses Enid is making a great choice Its smart blend of magic charming characters and engrossing themes makes it a great choice I can t wait to read more stories in this skillfully built world created by Eileen Sheehan
