agonizing phase in both women's lives came to an end. But nevertheless a shadow still hangs over the house. And one day another May 1st there is again a death in *Le Variouf*. Author and Narrator Dorothee Birke, Tilmann Köppe, 2015-03-10

The distinction between author and narrator is one of the cornerstones of narrative theory. In the past two decades, however, the scope, implications, and consequences of this distinction have become the subjects of debate. This volume offers contributions to these debates from different vantage points: literary studies, linguistics, philosophy, and media studies. It thus manifests the status of narrative theory as a transdisciplinary project.
