Beau Jest A Comedy:

Beau Jest James Sherman,1992

Beau Jest James Sherman,1990

Acting Comedy Christopher Olsen,2015-08-27

Despite being roundly cited as much harder to perform than its dramatic counterpart comic acting is traditionally seen as a performance genre that can't be taught. At best it is often described as a skill that can only be learned on the job through years of practice or given to a performer through natural talent. Acting Comedy is an effort to examine this idea more rigorously by looking at different aspects of the comic actor's craft. Each chapter is written by an expert in a particular form from actors and directors to teachers and standup comedians. Topics covered include how performers work with audiences how comic texts can be enhanced through word and musical rhythm analysis how physical movements can generate comic moments and build character. This book is an invaluable resource for any performer focusing on the minute details of comic acting even down to exactly how one delivers a joke on stage. Christopher Olsen's unique collection of comic voices will prove essential reading for students and professionals alike.

The Ultimate Scene and Monologue Sourcebook, Updated and Expanded Edition Ed Hooks,2007-10-16 All actors and acting teachers need *The Ultimate Scene and Monologue Sourcebook* the invaluable guide to finding just the right piece for every audition. This remarkable book describes the character's action and mood for more than 1 000 scenes in over 300 plays. This unique format is ideal for acting teachers who want their students to understand each monologue in context. Using these guidelines the actor can quickly pinpoint the perfect monologue then find the text in the Samuel French or Dramatist Play Service edition of the play. Newly revised and expanded the book also includes the author's own assessment of each monologue.

New York Magazine ,1993-01-11 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.
