Beauty And The Beast Gift:

The Collector's Gift: A Beauty & The Beast Retelling M. James, 2023-07-18 Read this steamy mafia series by dark romance author M James For fans of dark romance authors Nicole Fox Maggie Cole and BB Hammel I've been given to a man who calls himself a collector of broken things But he'll soon find out I'm anything but broken My father is dead leaving behind a pile of debt to bad men who will do anything to collect it My little brother is in danger and there's no money left to pay them or even feed ourselves Which leaves me with one thing to sell my innocence A snap decision ends up with me on my knees in front of a Parisian apartment given to a man named Alexandre Sartre He says he collects damaged things broken things but to me it looks like he's the one who's broken All I want is to get back to my brother even if it means submitting to him and being his pet the way he demands But as the days go on and the truth of why I'm here starts to reveal itself I start to realize there's more than Alexandre than meets the eye Others think he's a monster A broken man at best and an evil one at worst But I'm not so sure that's true or that he's past saving Others see a sick man but I see a man desperate to be loved a man who no one ever really has After all who could ever love a monster Who could ever love a beast The Collector's Gift is a complete standalone

Beauty and the Beast Michael Taussig, 2020-03-04 The celebrated anthropologist and author of *The Corn Wolf* examines the Colombian culture of plastic surgery and its surprising relationship to violence Drawing on extensive fieldwork in Colombia Michael Taussig scrutinizes the audacious and sometimes destructive attempts people make to transform their bodies through cosmetic surgery and liposuction He balances an examination of surgeries meant to enhance an individual's beauty with their often overlooked counterparts surgeries performed often on high profile criminals to disguise one's identity Exploring this global phenomenon through Colombia's economic cultural and political history Taussig links the country's long civil war and history of torture to the beauty industry at large sketching Colombia as a country whose high aesthetic stakes make it a staging ground for some of the most important and problematic ideas about the body Central to Taussig's examination is George Bataille's notion of *depose* or wasting While *depose* is often used as a critique Taussig also looks at its position as a driving economic force *Depose* he argues is precisely what these procedures are about and the beast on the other side of beauty should not be dismissed as simple recompense At once theoretical and colloquial public and intimate *Beauty and the Beast* is a true to place ethnography that tells a layered story about the lengths to which people will go to be physically remade
