Foundation is the first one with which to get started **Exotheology** Joel L. Parkyn, 2023-08-31 Since antiquity theology has frequently gone hand in hand with the study of the heavens Speculation regarding the plurality of worlds and the possibility of intelligent life beyond Earth has posed questions for and been stimulated by Christian theology Advancements in astronomy and astrophysics now reveal a vast universe containing trillions of galaxies Each new exoplanet discovered brings with it a new context in which to consider the place of humanity and the role of divinity in relation to creatures In particular the Christian doctrines of the incarnation and redemption must be understood afresh in light of the likelihood of extraterrestrial life In *Exotheology* Joel L Parkyn examines the twin historic developments in scientific and theological thought on extraterrestrials from antiquity to the twenty first century In doing so he demonstrates a consistent pattern of theological formulations that allow for a distinct relation between Christianity and extraterrestrial life but this has so far been without sufficient resolution Applying concepts from anthropology psychology and sociology to putative extraterrestrials he explores in new depth the implications of contact and argues for a divine pedagogy of potential modalities of supernatural presence and action with extraterrestrial intelligences **Legacy** T. Patrick Jensen, 2024-01-11

Legacy everyone has one to give What will be your legacy Jensen explores the motif of legacy through the lens of the apostle Paul and one of his last letters to his spiritual son Timothy It is an intensive exploration of the universal human endeavor to pass something of worth to a subsequent generation Jensen weaves a tapestry of exegesis theological excursus psychological integration and contemporary pastoral dilemmas to underscore the need for legacy in its various kinds Pastors and fathers mothers are challenged to find their Timothy for the express purpose of faithful transmission of gospel and ministry

[Pentecostals and the Doctrine of the Trinity](#) Marius Nel,2023-04-17 This book explores the complex ideas of the Trinity and God placing particular emphasis on the Pentecostal Church If Jesus and the Spirit are divine to the same extent as the God of Israel what is their relationship with the Father Traditionally the Western Church responds that there are three persons in the one God How did the early Church think about the Trinity The Church assumed that Jesus died a gruesome death on the cross to atone for our sins This implies that God required one part of the divine to die to appease another part of the divine A further complication arises when we consider that Jesus taught believers to forgive why then did God not forgive humans This book challenges the reader to rethink and reconsider their conception of God and the Trinity given that God falls outside our frame of reference and outside of our universe which we can consider our final frame of reference
