

A top-down view of a business meeting. Several people are gathered around a light-colored wooden table. In the center, two hands are shaking in a firm grip. Other hands are visible, some pointing at documents or a laptop. The documents on the table feature various business charts, including bar graphs and pie charts. A silver laptop is open on the right side of the table. A black smartphone lies on the table near the bottom right. A large blue oval with white text is overlaid on the left side of the image.
