Companion's authority, scope, and variety in tone and interpretation will prove a boon and a delight. Explored here are literary embodiments of the Old South, New South, Solid South, Savage South, Lazy South, and Sahara of the Bozart. As up to date as grit lit, K Mart fiction, and postmodernism, and as old fashioned as Puritanism, mules, and the tall tale, these five hundred entries span a reach from Lady to Lesbian Literature. The volume includes an overview of every southern state's belletristic heritage while making it clear that the southern mind extends beyond geographical boundaries to form an essential component of the American psyche. The South's lavishly rich literature provides the best means of understanding the region's deepest nature, and *The Companion to Southern Literature* will be an invaluable tool for those who take on that exciting challenge.
