›**Assassin's Creed in the Classroom** Erik Champion, Juan Francisco Hiriart Vera, 2023-12-18 The open world role playing Assassin's Creed video game series is one of the most successful series of all time, praised for its in-depth use of historical characters and events, compelling graphics, and addictive gameplay. Assassin's Creed games offer up the possibility of exploring history, mythology, and heritage immersively, graphically, and imaginatively. This collection of essays by architects, archaeologists, and historians explores the learning opportunities of playing, modifying, and extending the games in the classroom, on location in the architectural studio, and in a museum.
