

breathe

she sat at the back
and they said she was shy
she led from the front
and they hated her pride

they asked her advice
and then questioned her guidance
they branded her loud
then were shocked by her silence

when she shared no ambition
they said it was sad
so she told them her dreams
and they said she was mad

they told her they'd listen
then covered their ears
and gave her a hug
whilst they laughed at her fears

and she listened to all of it
thinking she should
be the girl they told her to be
best as she could

but one day she asked
what was best for herself
instead of trying
to please everyone else

so she walked to the forest
and stood with the trees
she heard the wind whisper
and dance with the leaves

and she spoke to the willow,
the elm and the pine
and she told them what she'd
been told time after time

she told them she never
felt nearly enough
she was either too little
or far, far too much

too loud or too quiet
too fierce or too weak
too wise or too foolish
too bold or too meek

then she found a small clearing
surrounded by firs
and she stopped and she heard
what the trees said to her

and she sat there for hours
not wanting to leave
for the forest said nothing...
it just let her breathe
