1981-2003 Karminder Singh Dhillon, 2009 Summary Malaysia's former Prime Minister Mahathir Mohamad is often seen as the sole author of the country's foreign policy Malaysian Foreign Policy in the Mahathir Era shows that while Mahathir's personality leadership style political ideology and brand of nationalism unquestionably had a deep impact so too did domestic issues and external forces associated with globalization The book examines seven major foreign policy initiatives of the Mahathir period Buy British Last Anti Commonwealth Look East Third World Spokesmanship Regional Engagement Islamic Posturing and Commercial and Developmental Diplomacy In discussing these topics the author explains the significance for foreign policy of communal concerns the regime's need to maintain its own authority in the face of political and social initiatives some rooted in Islam and its desire to achieve national development He also discusses external pressures including Japan's regional designs Singapore's defense posture and the growing importance of China for the region The approach breaks away from the elitist decision making styles and single factor models usually employed to explain the foreign policy of developing nations and establishes a direct link between domestic politics and foreign policy during the period studied suggesting that the latter was truly an extension of the former Publisher description The A to Z of Australia James C. Docherty, 2010-04 The A to Z of Australia relates the history of this unique and beautiful land which is home to an amazing range of flora and fauna a climate that ranges from tropical forests to arid deserts and the largest single collection of coral reefs and islands in the world Through **Australia in the Asia-Pacific Region** Nina Slanevskaya, 2002
