Arthur The Kid:

Arthur the Kid Alan Coren,1976 *Arthur the Kid* Alan Coren,2003-01 *Arthur and the New Kid* Marc Brown,2004
Arthur and his friends aren't sure of what to make of Norbert the new kid in their class. He wears a jacket and tie, sits at the fourth grader's table in the lunchroom and buys two slices of pizza for lunch. But when Norbert helps Francine answer a difficult math problem and scores two soccer goals during recess, Arthur and his friends learn that the new boy at school is different from what they first thought. From the Trade Paperback edition **Arthur and the New Kid** Marc Tolon Brown,2004 Arthur and his friends discover that the new boy at school is different from what they first thought. Includes 2 pages of stickers to match with words in the story *King Arthur's Children* Tyler R. Tichelaar,2010-01-31 Did you know King Arthur had many other children besides Mordred? Depending on which version of the legend you read, he had both sons and daughters, some of whom even survived him. From the ancient tale of Gwydre the son who was gored to death by a boar to Scottish traditions of Mordred as a beloved king, Tyler R. Tichelaar has studied all the references to King Arthur's children to show how they shed light upon a legend that has intrigued us for fifteen centuries. *King Arthur's Children: A Study in Fiction and Tradition* is the first full-length analysis of every known treatment of King Arthur's children, from Welsh legends and French romances to Scottish genealogies and modern novels by such authors as Parke Godwin, Stephen Lawhead, Debra Kemp, and Elizabeth Wein. *King Arthur's Children* explores an often overlooked theme in Arthurian literature and reveals King Arthur's bloodline may still exist today. Arthurian Authors Praise *King Arthur's Children* Author Tyler R. Tichelaar has performed impeccable research into the Arthurian legend, finding neglected details in early sources and reigniting their significance. Great brainstorming fun! I am proud to add this to my personal collection of Arthurian non-fiction. Debra Kemp, author of *The House of Pendragon* series. Tyler R. Tichelaar's in-depth analysis of the plausibility of King Arthur's children reaffirms the importance the King Arthur legacy continues to have for society and the need of people all over the world to be able to connect to and believe in King Arthur and Camelot. Cheryl Carpinello, author of *Guinevere: On the Eve of Legend*.
