Contemporary Perspective provides a fresh new perspective on marketing from some of the leading researchers in Europe. The book offers students and practitioners the comprehensive coverage they need to make the right decisions to create and implement highly successful marketing strategies. This exciting new edition includes updated cases and combines scholarly international research with relevant and contemporary examples from markets and brands across the world. The authors combine their experience as researchers and industry consultants to provide the conceptual and theoretical underpinning of marketing and empirical research helping students to understand how marketing concepts can be applied and implemented. The book covers a full range of industries including business to customer business to business services marketing retailing and international marketing from companies around the globe.

EBOOK: Towards Effective Subject Leadership in the Primary School David Bell, Joanne Hollows, 2005-09-16 This book examines the post of subject leader in primary schools in the light of the four key areas defined by National Standards for Subject Leadership: strategic direction and development; teaching and learning; leading and managing staff; efficient and effective deployment of staff. The book combines existing research data and new material gathered by the authors. It presents the underpinning principles and analyses the complex set of roles and responsibilities undertaken by subject leaders. Most importantly it provides practical advice for subject leaders illustrated by a series of case studies and tasks which are addressed directly to subject leaders. The authors have taken a generic approach looking at issues such as changing roles and responsibilities; planning for teaching and learning; working with colleagues and others; managing resources and bringing about school improvement that have to be addressed by all subject leaders whatever their particular area of responsibility. Throughout the book emphasises the importance of leadership, children's learning, professional development and collaboration. The book will be of value to all primary school teachers and especially subject leaders.
