

THE ANDREWS RAID

About 6 A.M., April 12, 1862, a Federal spy & contraband merchant, James J. Andrews, of Ky., together with 18 soldiers & one civilian of Ohio, seized the locomotive "General", & three box cars while the train-crew & passengers were breakfasting at the Lacy Hotel.

Intending to sabotage the State R.R. between Atlanta & Chattanooga, the raiders steamed N. to destroy track & burn bridges.

They were foiled in this attempt by the persistent pursuit of Capt. W. A. Fuller, Conductor of the train; Jeff Cain, Fireman; & Anthony Murphy, of the Atlanta R.R. shops, after a chase of eighty-seven miles.

Andrews Raid:

The Great Locomotive Chase William Pittenger, 1910 **Daring and Suffering** William Pittenger, 1887 *The Great Locomotive Chase* Gordon L. Rottman, 2012-09-20 In April 1862 the stage was set for one of the greatest locomotive chases in history Union forces planned to steal a train and travel at high speed to Chattanooga Tennessee disabling the line as they went in order to cut off vital rail supplies to the Confederate stronghold of Atlanta Georgia some 100 plus miles to the southwest What they hadn't banked on was the dogged determination of one man train conductor William Fuller who after realizing his train had been stolen began a frantic pursuit first by handcar then by top speed locomotive dealing with derailments by running miles on foot to the next station and single handedly removing drag ties from the track in front of his train The raiders were so hotly pursued that they had no time to inflict serious damage on the tracks and could not stop to gather more fuel Just north of Ringgold some miles south of Chattanooga The General ran out of wood and the raiders scattered into the forested Appalachian Mountains All were captured within days and sentenced to death Discover the history of one of the most colourful and dramatic episodes of the Civil War *Daring and Suffering* William Pittenger, 1887 *The Great Locomotive Chase; a History of the Andrews Railroad Raid Into Georgia in 1862* William Pittenger, 2022-10-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Stealing the General* Russell S. Bonds, 2007 In April 1862 20 Union soldiers crossed Confederate lines to steal a locomotive called the General and destroy a critical Confederate supply line In the aftermath half the team was executed the half that escaped received the newly established Medal of Honor publishers description **The Most Daring Raid of the Civil War** Gordon L. Rottman, 2011-01-15 Describes the Union military raid of a locomotive riding it from Georgia to Tennessee and destroying the railways as they traveled and details what happened to the raiders and the impact the raid had on the Civil War **The Story of the Andrews Raid: Or the Most Daring Enterprise of the Civil War (1898)** John Franklin Bair, 2009-06 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work *Tales from the North and the South* Frances H. Casstevens, 2006-11-28 In June 1862 James J Archer was promoted to the rank of brigadier general by Robert E Lee Serving with distinction in prominent battles such as those at Bull Run Chancellorsville and Harpers Ferry this

lawyer turned general earned not only the respect of his superiors but the esteem and admiration of his men Imprisoned first at Fort Delaware and then at Johnson s Island Archer was one of the First Fifty and as it turned out only officers to be part of a Confederate Union prisoner exchange Upon returning to the Confederacy Archer resumed command and served until his death from battle wounds in October 1864 From doctors to lawyers and privates to generals this volume records the stories of a few special people such as General James Archer who chose to serve their country during the Civil War Twenty four individuals from both sides of the Mason Dixon line are remembered for their extraordinary and often little known contributions to the Confederate and Union causes These include Colonel Thomas Rose who was in charge of the Libby Prison tunnel Colonel John R Winston who was one of the few to escape from the Federal prison on Johnson s Island Sally Tompkins who ran a private hospital in Richmond and Sergeant Richard Kirkland who risked his life to take water to the Federal troops at Fredericksburg Other featured individuals include Susie Baker King Taylor Colonel Hector McKethan Dr Mary Walker and Richard Thomas Zarvona Contemporary sources include a variety of correspondence and diaries from these subjects and those who knew them Appendices contain a roll of participants in the Great Locomotive Chase a list of Federal prisoners who escaped through the Libby Prison tunnel a directory of Confederate officers on board the Maple Leaf and the history of the Congressional Medal of Honor and the Confederate Roll of Honor A number of contemporary photographs are also included

The W and A, the General , and the Andrews Raid Robert C. Jones, 2010-08-27 The ambitiously named Western and Atlantic Railroad ceased to exist in 1890 and at its peak commanded a main line only 137 miles long Yet today it is still one of the most easily recognizable names in the history of American railroading Why The W A played an important role in two of the most famous incidents in the Civil War including the Andrews Raid a k a Great Locomotive Chase in 1862 and Sherman s Atlanta Campaign 1864 where it served as the Union supply line This book will examine the brief but significant life of this famous railroad as well as the history of its most famous locomotive the General The book also contains a step by step Retracing the Route of the Andrews Raid section which describes thirteen sites associated with the Raid that have extant remains The General is the most revered and famous locomotive in the world It was the star of the Civil War Andrews Raid It was the subject of at least three movies including Railroad Raiders of 62 The General starring Buster Keaton and The Great Locomotive Chase starring Fess Parker It has been the subject of countless books and articles The later history of the General is almost as exciting as the Chase itself In April 1962 the General retraced its route from the Great Locomotive Chase under its own power From 1967 1970 the General was the center of a complicated legal battle between Chattanooga Tennessee on one side and the L N Railroad and the State of Georgia on the other side Part of this battle included the blockading of the main line of the old W A railroad just south of Chattanooga TN The legal battle went all the way to the U S Supreme Court to be resolved This edition contains 36 color photos and maps and 30 black and white photos historical maps and engravings

Immerse yourself in the artistry of words with Experience Art with is expressive creation, Discover the Artistry of **Andrews Raid** . This ebook, presented in a PDF format (PDF Size: *), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge. Download now to let the beauty of literature and artistry envelop your mind in a unique and expressive way.
