Angels Over Their Shoulders Childrens Encounters With Heavenly Beings:

Angels Over Their Shoulders Brad Steiger,1995 *Face To Face With The Unknown* Sherry Hansen

Steiger,2001-04-15 The line that divides fiction from fact is not always as clear as it may seem Two plus two equals four right But what if just once two plus two equaled five Hard to believe Absolutely But for the young people whose stories are related here that is exactly what happened Each of them experiences something that simply could not be explained For instance two boys forced to spend the night in their car during a bad storm learn the next morning that an eyewitness swears he saw four burly men inside their care scare off a gang But who were the men The boys were alone that night Another time a teen on the way home from a date comes upon strange alien forms in the road ahead He chases after them only to discover humanoid imprints in the grass Not even the local sheriff can explain it Mysterious sightings alien encounters guardian angles ghostly hauntings bizarre visitations In dozens of stories teens relate real life experiences with the unknown **Future Memory**

P.M.H. Atwater,2025-09-12 There are many different paths to the future According to P M H Atwater one of the foremost investigators into near death experiences future memory allows people to live life in advance and remember the experience in detail when something triggers that memory Atwater explains the unifying and permanent effect of that experience is a brain a brain shift which she believes may be at the very core of existence itself In Future Memory Atwater shows that structural and chemical changes are occurring in our brains changes indicative of higher evolutionary development This mind blowing exploration of a mind blowing topic traces her findings about this phenomenon and explores its implications for the individual and for society Future Memory Provides a series of steps to assist in developing future memory Explores new models of time existence and consciousness Presents an in depth study of the brain shift and how it can be experienced Offers an extensive appendix and resource manual Future Memory is an important step in understanding the relationship between human perception and reality [Real Encounters, Different Dimensions and Otherworldly Beings](#) Brad

Steiger,Sherry Hansen Steiger,2013-10-01 Experts on the unexplained and paranormal research Brad and Sherry Steiger turn their unique and remarkable talents to the bold storytelling of encounters with the unknown from throughout the ages From mysterious strangers and unpredictable beings to weird behavior and paranormal phenomena they investigate claims of visits from ghastly ghosts otherworldly creatures aliens living among us phantoms spirits and other accounts of encounters with the unexplained Over 130 astounding accounts of Real Encounters Different Dimensions and Otherworldly Beings with the supernatural such as Visitors from other worlds who have had Earth under surveillance for centuries conducting their activities in secret even abducting humans for their own research and undeclared ends Members of secret societies who developed advanced technology centuries ago which has been kept hidden in underground or undersea cities Time Travelers from the Future Beings who claim to be our descendants from the future who are returning to study the true destiny of humankind Ghosts that haunt people places and things and poltergeists that create havoc Beasties and monsters found in

everyone's worst nightmares and sometimes in their campsites fields and yards Other Dimensional Visitors Beings Creatures or Entities that come not from a faraway world in our solar system or any other but from an adjacent space time continuum existing on another vibrational dimensional frequency or level Previously unknown unidentified terrestrial life forms such beings as sky critters sky fish rods and orbs As yet unknown physical energies that may be activated by the psyche the unconscious level of the human mind Archetypal creatures and entities of the collective unconscious that are the result of energies that are accessible through dreams meditations and other states of altered consciousness Interactions with beings that have been dubbed elves fairies devas throughout the centuries The marvelous creative facet of dreams Out of body mind traveling through Time and Space Majestic beings who are described in the scriptures of many world religions as angels or demons

Angels George J. Marshall, 2015-08-13 In the 1990s alone more than 400 works on angels were published adding to an already burgeoning genre Throughout the centuries angels have been featured in among others theological works on scripture studies in comparative religions works on art architecture and music philological studies philosophical sociological anthropological archeological and psychological works and even a psychoanalytical study of the implications that our understanding of angels has for our understanding of sexual differences This bibliography lists 4 355 works alphabetically by author Each entry contains a source for the reference often a Library of Congress call number followed by the name of a university that holds the work More than 750 of the entries are annotated Extensive indexes to names subjects and centuries provide further utility

Angels Over Their Shoulders Brad Steiger, Sherry Hansen Steiger, 1995 Children's encounters with heavenly beings

Consulting Spirits Joel Bjorling, 1998-04-30 Throughout history people have been intrigued with spirits angels or devas as sources of wisdom and guidance They are not only interesting as those who possess an insight into events and circumstances but also as proof of life after death In this clear and useful reference guide Bjorling presents a listing of the literature on the various ways in which people of different cultures have consulted spirits through shamans and oracles magic mediums Voodoo and psychics Each chapter contains a general introduction to the respective topic as well as a listing of pertinent books articles and dissertations His survey also includes early spirit contacts in Africa Latin America and Asia

Touched by Heaven's Light Brad Steiger, Sherry Hansen Steiger, 1999 This collection of truly inspirational stories presents an affirming view into heaven's gate as told by those who have visited heaven through dreams and visions While experiencing the world beyond the physical some returned to the mortal plane to share the realities of an afterlife with family and friends First hand accounts involve angelic guides receiving spiritual messages memories of heaven and loved ones who have crossed to the other side

What Inspirational Literature Do I Read Next? Pamela Willwerth Aue, Henry L. Carrigan (Jr), 1999-08-31 Religiously inspired novels inspirational writings and biographical works on people who are models for spiritual growth are among the recommendations found in this reference

Man and Dog Brad Steiger, 1995 Presents a collection of true stories that illustrate the bond between humans and dogs with discussion of the medical benefits of pets on
