Angel John's Little Book of Angelic Wisdom Fran Lenzo,1996-03

Little Angels Phra Peter Pannapadipo,2009-09-15

The real life stories of the novice monks in Little Angels reflect the lives of many youths in rural Thailand who are trapped in the vicious cycle of poverty broken homes illiteracy and drug abuse When all else fails Buddhism becomes their last resort providing them with physical shelter and spiritual refuge It heals their childhood traumas and gives them a moral framework for living and a better outlook on life Each individual story heartrending as it may be subtly shows what Phra Peter sees and hopes to show to others the human face of Thai Buddhism

Angels and Men Catherine Fox,2014-07-17 It is a real pleasure to find what many readers are always on the lookout for a new and original writer of a rattling good story told with intelligence and depth The Tablet Parson s daughter Mara Johns arrives as a postgraduate student at a great northern cathedral city Antagonistic to the church and fiercely independent she repels all friendly overtures and seeks spiritual answers in her theological research But when her past involvement in an extreme sect resurfaces she finds her quest won t stay academic Nor can she hold out against her persistent would be friends Gradually she unbends and laughs with Maddy and May locks horns with the insufferable polecat and finds herself torn between the attentions of two suitors But they are both ordinands and she s vowed she ll never marry a vicar When her carefully controlled world falls apart it is these new friends she must turn to if she wants to survive

Angels at the Eastport Bridge MacIntyre,2011-09-15 Though it may seem a bit complicated the story is simple and when all the pieces are laid out it is plain to see where it all began It started with one single human by the name of Tane MacGregor one single officially insane homeless dust rag of a man He occasionally caught glances from passing strangers as he swung his feet rhythmically from the drawbridge over the calm waters of Spa Creek and he was often found in the company of angels As it was said MacGregor was seen as the glue the string binding all the events and beings which created a rather remarkable occurrence in the soft beautifully adjacent scenic towns of Annapolis and Eastport and in particular about the small Eastport Drawbridge over Spa Creek spanning and dividing the two Now as the story would be told and retold in most homes and taverns around the Chesapeake for many years it was too easily called coincidence True it began at a certain time with a certain person in a certain situation accompanied by an incredible series of events people celestial beings lawyers homeless schizophrenics ghosts God junk food and small deviations in time and space with waving definitions of good and evil all coming together in a perfect harmonic mix but coincidence
