Angelic Encounters Divine Intervention:

Angelic Encounters Barbara Bellerieve, Barbara Hogue, 2005 This book is about one woman's mystical spiritual journey of miraculous supernatural encounters with God and her Angels. These divine interventions are filled with spiritual messages and are deeply moving as she shares with you the reality and power of her personal experiences with the divine omnipresence of God. Barbara describes her encounters with God and her Angels in such a way that anyone can understand. The stories in this book are about how to communicate and pray to bring forth miracles and to strengthen your faith in your own interaction with God and the Angels that God has assigned to you to guide, protect and inspire you. Barbara talks about Intent as she shares her stories with others. She says her Angels say that Intent is everything and the only thing that the Universe responds to as we live on this Planet Earth. She talks about the spiritual principles that are ours to use to create and manifest all that we desire according to the divine plan of our lives. In a couple of her stories she is very descriptive about the seven spiritual principles to manifestation as outlined by her Angels. To use these principles in the order she shares is to become a powerful creator as you are designed to be according to the divine plan of your life. Through sharing her life's experiences with us, Barbara clearly and thoughtfully shares how powerful it is to simply listen and follow the divine instructions once they are given. Her stories are fearless and honest as she shares moments in her life when she made choices totally based on what she believed God's Intent was and other times when she was led by ego. This book is hard to put down once you have started reading it.

Angel Encounters Karen Goldman, 1995 In her third volume of magical prose and poetry about the messengers of God who encourage us when we are down, acknowledge us when we are at our best and lift up our souls. Goldman collects the true stories of people of all ages who have had encounters with angels here on Earth. Color illustrations.

Guardian Angels by My Side Barbara Love, 2010-11-17 When angel encounters happened in my own family with healing messages for me and with my Sons angel appearing to him at the age of six I began sharing our story with others. As they listened many then began sharing their own miraculous stories with me. These are true stories about life-changing divine interventions and angelic encounters. When angels appeared many came with beautiful and inspirational messages full of loving guidance. Some stories are about individuals who were saved by their guardian angel. In some instances their divine intervention helped to change the course they were on in their lives through the messages given to them by their angel. Many went on to complete their life's destiny because of their blessed experience. God has blessed us by providing each and every one of us guardian angels to guide and protect us throughout our lifetimes until the day an angel leads our soul back to Heaven with God. As you read about these heavenly interventions you will be inspired by each one of these beautiful and amazing stories.
