family had ever told me that Havana the place where we were from was so closely aligned to my work More importantly how had I managed to reencounter this ornately decorated sagging city at the precise moment when I was beginning to see a link between restoration of the material world and personal healing **Dark Water** Robert Clark,2009-10-06 Birthplace of Michelangelo and home to untold masterpieces Florence is a city for art lovers But on November 4 1966 the rising waters of the Arno threatened to erase over seven centuries of history and human achievement Now Robert Clark explores the Italian city s greatest flood and its aftermath through the voices of its witnesses Two American artists waded through the devastated beauty a photographer stows away on an army helicopter to witness the tragedy first hand a British mud angel spends a month scraping mold from the world s masterpieces and through it all an author asks why art matters so very much to us even in the face of overwhelming disaster *The Fiery Angel* Michael Walsh,2018-05-29 Without an understanding and appreciation of the culture we seek to preserve and protect the defense of Western civilization is fundamentally futile a culture that believes in nothing cannot defend itself because it has nothing to defend The past not only still has something to tell us but it also has something that it must tell us In this profound and wide ranging historical survey Michael Walsh illuminates the ways that the narrative and visual arts both reflect and affect the course of political history outlining the way forward by arguing for the restoration of the Heroic Narrative that forms the basis of all Western cultural and religious traditions Let us listen then to the angels of our nature for better and worse They have much to tell us if only we will listen

Angels Over Moscow Juliette M. Engel,2021-09-22 Angels Over Moscow is an inspirational first person account of the life of American physician Dr Juliette Engel who founded the non profit MiraMed Institute to devote her energy and resources to helping reform maternal and infant healthcare in Russia During a mission to improve medical care for children in orphanages she discovered a link between the State institutions and an international network that trafficked young Russian girls to Scandinavia for prostitution She followed their trail north into Norway where she ran headlong into the international slave trade of the 20th Century human trafficking From that point forward there was no turning back for the determined doctor as she traveled throughout the former USSR often at great personal peril building a network of villagers educators police media and government officials called the Angel Coalition who committed their talents and resources to fighting human trafficking and bringing thousands of Russian trafficking victims safely home As a result of her work she became eyewitness to the collapse of an empire as the USSR broke apart and the Russian people struggled to find their identity without losing their humanity Her strength and personal commitment saved thousands of lives and has helped heal the wounds of a broken nation In Angels Over Moscow Dr Engel describes her journey as the gift of an unexpected life More than that it is a tribute to American ideals and to idealists like Dr Engel who put her life and freedom on the line to fight the good fight for all of us Every human being encounters crossroads on the path of life that require fate altering decisions with unknowable outcomes Selling my medical practice to live and work in Russia wasn t among my life plans when I first set out to explore what lay

beyond the boundaries of my familiar world How could I anticipate that I d be drawn down the harder darker unexplored road into the tumultuous disorder of Russia I look ba
