Suburban Mediocrity to Passionate Christianity Ian Stackhouse, 2012-10-01 In *Primitive Piety* Ian Stackhouse takes us on a journey away from the safe world of suburban piety with its stress on moderation and politeness and into the extreme and paradoxical world of biblical faith As someone who has pastored churches in suburbia for the last twenty years the author is convinced that so much that passes off as Christian faith falls short of the radicalism or primitivism that we see in the pages of scripture a primitivism that includes honest lament dogged prayer raw emotions and heart felt desire In a culture in which there is every danger that we all look the same and speak the same Stackhouse argues for a more gritty kind of faith one that celebrates the oddity of the gospel the eccentricity of the saints and the utter uniqueness of each and every church **The Practice of Love** Laird Torrent, 2022-02-15 A master class in relationship repair and connection At its core this book delivers an inconvenient truth Our relationships have to be a daily practice if we want them to thrive We should treat them like we treat anything that we want to succeed by giving them time and attention For far too long it has been

assumed that we should innately understand how to love one another Relationships have fallen into the category of things we should know how to do But we are not born knowing how to make a relationship work any more than we are born knowing how to file taxes or buy insurance and there are no classes in high school or college that teach us how to do this The Practice of Love is that class In his work Lair Torrent a licensed marriage and family therapist brings together concepts and tools that can actually help couples heal for the long haul Diving beneath the symptoms most therapies focus on he helps couples develop a deeper understanding of the wounds that brought them together and how they show up in their relationships The 5 Practices gives the reader an opportunity to weed out and take responsibility for limiting or negative habits while allowing them to learn and adopt new and healthier practices with their partner These are not short term solutions but rather a path to profound healing deeper connection and stronger happier relationships
