Online Personal Brand Ryan M. Frischmann,2014-07-19 Online personal branding is a requirement for all professionals The common argument of the experts is you have a digital footprint in social media and on the internet so people are already making impressions of you Take control of their perceptions More importantly you have an opportunity to proactively project your personal brand onto networks Two other advantages of personal branding are that it forces you to be visionary of your career goals and helps you land favorable employment This books shares a functional angle to personal branding that is refreshingly simpler than the traditional

marketing angle The definition of an online personal brand is the combination of a skill set an aura and an identity and there is discussion where the concepts overlap Virtual Communities: Concepts, Methodologies, Tools and Applications Management Association, Information Resources,2010-10-31 Covers the development design and utilization of virtual organizations and communities and the resulting impact of these venues The LAST Virtual Volunteering Guidebook Jayne Cravens,Susan J. Ellis,2014-01-15 What is virtual volunteering It s work done by volunteers online via computers smartphones or other hand held devices and often from afar More and more organizations around the world are engaging people who want to contribute their skills via the Internet The service may be done virtually but the volunteers are real In The LAST Virtual Volunteering Guidebook international volunteerism consultants Jayne Cravens and Susan J Ellis emphasize that online service should be integrated into an organization s overall strategy for involving volunteers They maintain that the basic principles of volunteer management should apply equally to volunteers working online or onsite Whether you re tech savvy or still a newbie in cyberspace this book will show you how to lead online volunteers successfully by Overcoming resistance to online volunteer service and the myths surrounding it Designing virtual volunteering assignments from micro volunteering to long term projects from Web research to working directly with clients via the Internet Adding a virtual component to any volunteer s service Interviewing and screening online volunteers Managing risk and protecting confidentiality in online interactions Creating online communities for volunteers Offering orientation and training via Internet tools Recruiting new volunteers successfully through the Web and social media and Assuring accessibility and diversity among online volunteers Cravens and Ellis fervently believe that future volunteer management practitioners will automatically incorporate online service into community engagement making this book the last virtual volunteering guidebook that anyone has to write Start Your Own Virtual Assistant Business The Staff of Entrepreneur Media,Jason R.
