Ehrhart, 1979 *The Influence of Airpower upon History* Robin Higham, Mark Parillo, 2013-03-01 From early zeppelins to the Luftwaffe and the Enola Gay to the unmanned aerial vehicles of today air power has long been regarded as an invaluable instrument of war However nations have employed aircraft for many other purposes as well they provide security and surveillance and they are vital to myriad diplomatic and humanitarian efforts Air power has become a means for statesmen to advance a variety of goals opening up new possibilities and problems in times of peace as well as war The Influence of Air Power upon History examines the many ways in which aviation technology has impacted policymaking since 1903 It analyzes air strategy in nations around the world and explores how a country's presumed technological capability or lack thereof has become a crucial aspect of diplomacy Together the essays in this insightful volume offer a greater understanding of the history of military force and diplomatic relations in the global community **Air Power in the Age of Total War** John Buckley, 2006-05-09 Warfare in the first half of the 20th century was fundamentally and irrevocably altered by the birth and subsequent development of air power This work assesses the role of air power in changing the face of battle on land and sea Utilizing late 1990s research the author demonstrates that the phenomenon of air power was both a cause and a crucial accelerating factor contributing to the theory and practice of total war For instance the expansion of warfare to the homefront was a direct result of bombing and indirectly due to the extent of national economic mobilization required to support first rate air power status In addition the move away from the principle of total war with the onset of the Cold War and the replacement of air power by ICBMs is thoroughly examined This work should provide students of international history war studies defence and strategic studies with an insight into 20th century warfare **Air power and warfare the proceedings of the 8th Military History Symposium United States Air Force Academy 18-20 October 1978** , The Influence of Air Power Upon History Walter J.
