Briefe Constantin Frantz:

The Berlin Antisemitism Controversy Frederick C. Beiser, 2024-04-16 After a long struggle Jewish emancipation was formally completed in Germany in 1871 when Wilhelm I abolished religious discrimination across the entire Reich Yet the very same decade witnessed a new wave of antisemitism one more vicious and virulent than anything before At its centre was what is known as The Berlin Antisemitism Controversy How can this rise of antisemitism be explained when further liberal reform was expected Can it help us understand the tide of antisemitism that was to engulf Germany fifty years later In this outstanding book by a leading scholar of German philosophy Frederick C Beiser argues that to understand modern antisemitism we must go back in history Beginning with the background of the controversy and examining the most important antisemitic thinkers of the 1870s and 1880s he brilliantly analyses the beginnings of modern antisemitism in Germany Beiser challenges received scholarship that the rise of antisemitism was caused by a failure of the Jews to assimilate and criticises the view held by Hannah Arendt that antisemitism was at its peak when Jews were perceived to be powerless and had lost their roles in government and finance He argues instead that it was fuelled by a fear of Jewish domination that took multiple forms Exploring antisemitism from both a historical and philosophical perspective he situates antisemitism in relation to such fundamental questions as the conditions for citizenship in the modern state what is meant by nationality and what role religion should play in the state He also vividly and expertly analyses the writings and arguments of those involved in the antisemitism crisis of the 1870s including Wilhelm Marr Constantin Frantz and Adolf Treitschke and thinkers who are here examined in English for the first time The Berlin Antisemitism Controversy sheds much needed light on an episode whose shockwaves resonate today It is a superb account of a crucial period of not only German but also European and Jewish history and essential reading for anyone interested in the causes and roots of antisemitism in Germany and beyond

The Rise of Political Anti-semitism in Germany & Austria Peter G. J. Pulzer, 1988 To understand the 20th century we must know the 19th It was then that an ancient prejudice was forged into a modern political weapon How and why this happened is shown in this classic study by Peter Pulzer first published in 1964 and now reprinted with a new Introduction by the author

The States of the Earth Mohamed Amer Meziane, 2024-04-09 An extraordinary book Mohamed Amer Meziane's breathtaking analysis of the making of fossil states opens to a new genre of history writing where the very layers of earth's riches are at its center Ann Laura Stoler author of *Carnal Knowledge and Imperial Power Along the Archival Grain* How the disenchantment of empire led to climate change While industrial states competed to colonize Asia and Africa in the nineteenth century conversion to Christianity was replaced by a civilizing mission This new secular impetus strode hand in hand with racial capitalism in the age of empires a terrestrial paradise was to be achieved through accumulation and the ravaging of nature Far from a defence of religion *The States of the Earth* argues that phenomena such as evangelism and political Islam are best understood as products of empire and secularization In a world where material technology was

considered divine religious and secular forces both tried to achieve Heaven on Earth by destroying Earth itself

Sheehan, 1989 This is a uniquely authoritative study of German history between the mid eighteenth century and the formation of the Bismarckian Reich This is an extensive account of social and cultural as well as political developments and shows that the creation of a Prussian led nation state should not be seen as natural or inevitable Briefe 1899-1919 Gustav Landauer, 2023-06-12 Gustav Landauer gehörte als Briefautor zur Briefkultur des späten 19. Jahrhunderts Er korrespondierte mit Wilhelm Blosche Else Lasker-Schüler Martin Buber Erich Mischke Fritz Mauthner Hugo von Hofmannsthal und Petr Kropotkin Der Brief als Medium bürgerlicher Gesprächskultur fungiert hier nicht nur als Rettungsnetz der Lebensbewältigung sondern wird zugleich ein hochproduktives Arbeitsmittel für den Übersetzer Journalisten Theatermann und politischen Denker Landauer Als persönliche Zeugnisse hohen Rangs werden seine umfangreichen Briefschaften zu Dokumenten der Zeitzeugenschaft für eine deutsch-jüdische Briefkultur die in oppositionelle Zirkel des Kaiserreichs ebenso hineinragt wie in die ästhetische und philosophische Moderne Gustav Landauer's letters are part of the letter writing culture of the late 19th century He exchanged letters with Wilhelm Blosche Else Lasker-Schüler Martin Buber Erich Mischke Fritz Mauthner Hugo von Hofmannsthal and Petr Kropotkin The letter as a medium of bourgeois conversation culture not only serves as a lifeline but also as a highly productive tool for the interpreter journalist dramatic adviser and political thinker that he was These highly treasured personal testimonies are comprehensive witnesses of the German Jewish letter writing culture which influenced both the oppositional circles of the German Empire as well as the aesthetic and philosophical modern times **German Question/Jewish Question** Paul Lawrence Rose, 2014-07-14 In this compelling narrative of antisemitism in German thought Paul Rose proposes a fresh view of the topic Beginning with an examination of the attitudes of Martin Luther he challenges distinctions between theologically derived medieval and secular racial modern antisemitism arguing that there is an unbroken chain of antisemitic feeling between the two periods Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important
