Jacobson, Richard A Rupp, 2013-11-01 An up to date accurate comprehensive and lively treatment of arguably one of the bloodiest five hours during the American Civil War The Civil War Gazette The battles at Spring Hill and Franklin Tennessee in the late autumn of 1864 were watershed moments in the American Civil War Thousands of hardened veterans and a number of recruits as well as former West Point classmates found themselves moving through Middle Tennessee in the last great campaign of a long and bitter war Replete with bravery dedication bloodshed and controversy these battles led directly to the conclusion of action in the Western Theater Spring Hill and Franklin which were once long ignored and seldom understood have slowly been regaining their place on the national stage They remain one of the most compelling episodes of the Civil War Through exhaustive research and the use of sources never before published the stories of both battles come vividly to life in *For Cause For Country* Over 100 pages of material have been added to this new edition including new maps and photos The genesis and early stages of the Tennessee Campaign play out in clear and readable fashion The lost opportunity at Spring Hill is evaluated in great detail and the truth of what happened there is finally shown based on evidence rather than conjecture The intricate dynamics of the Confederate high command and especially the roles of General John Bell Hood and General Frank Cheatham are given special attention *For Cause For Country* is a highly complex but skillfully organized easy to follow campaign narrative written in stirring fashion Civil War Books and Authors
