Britain And The War For Yugoslavia 1940-1943:

Britain and the War for Yugoslavia, 1940-1943 Mark C. Wheeler, 1980 A detailed and important critical study of Britain's policies regarding Yugoslavia in the early years of World War II *Britain, the Cold War and Yugoslav Unity, 1941-1949* Ann Lane, 2012-06-01 This work sets out to examine the policy of the British Foreign Office towards Yugoslavia and the Tito Government during and immediately following World War II It looks at the relationship between Yugoslavia and the Soviet Union and the effects on Soviet Western relations Britain, Mihailovic and the Chetniks, 1941-42 S. Trew, 1998-01-28 Casting new light on a controversial aspect of wartime British foreign policy this book traces the process by which the British authorities came to offer their backing to Colonel Draza Mihailovic leader of the non Communist resistance movement which emerged after the Axis invasion of Yugoslavia in April 1941 It also examines why British confidence in Mihailovic was subsequently eroded to the point where serious consideration was given to transferring support to his avowed enemies the Communist led Partisans The Basis and Making of British Grand Strategy, 1940-1943 Brian Padair Farrell, 1998 Britain and European Resistance, 1940-45 David Stafford, 1983-06-18 Our Man in Yugoslavia Sebastian Ritchie, 2004-06-01 As a fully documented study of a Second World War Secret Intelligence Service SIS operative Our Man in Yugoslavia is absolutely unique Its subject is Owen Reed an army officer recruited into SIS in the summer of 1943 and then parachuted in to German occupied Croatia to work with Tito's Partisans and other Allied secret organisations After reporting back to London in July 1944 Reed returned to Yugoslavia to find relations with the Partisans deteriorating His erstwhile comrades began working against him and the intelligence he passed to the SIS came increasingly to focus on the communist takeover Reed found himself at the centre of the first great confrontation of the Cold War Blending biography and operational history Our Man in Yugoslavia is a remarkable case study illustrating how SIS operatives were recruited and trained and describing their work in detail Italy and the Second World War, 2018-06-05 Italy in the Second World War Alternative Perspectives stems from the necessity to write an important page of Second World War history by focusing on the Italian war experience which has been overshadowed in international research by the attention given to its senior Axis partner Drawing extensively on material from Italian and international archives a team of Italian and international historians led by Emanuele Sica and Richard Carrier offers a broad ranging volume on the war seen through the lens of Italian soldiers and civilians and populations occupied by the Italian army Contributors are Luca Baldissara Cindy Brown Federico Ciavattone Nicol Da Lio Paolo Fonzi Francesco Fusi Eric Gobetti Federico Goddi Andrea Martini Niall MacGalloway Amedeo Osti Guerrazzi Paolo Pezzino Matteo Pretelli Nicholas Virtue **Yugoslavia as History** John R. Lampe, 2000-03-28 An authoritative history of Yugoslavia published in 2000 with a new chapter on the ethnic wars in Croatia and Bosnia and Kosovo *A Legal Geography of Yugoslavia's Disintegration* Ana S. Trbovich, 2008-02-05 A Legal Geography of Yugoslavia's Disintegration explains the violent break up of the former Yugoslavia in early 1990s in the context of two legal principles

sovereignty and the self determination of peoples The author recounts Yugoslavia s history with a focus on the country s internal administrative divisions and aspirations of different ethnic groups in order to effectively explain the genesis of the international community s political decision to recognize the right of secession for the largest administrative units of Yugoslavia Trobovich a Serbian author writing from the perspective of a disengaged scholar tackles her subject matter with clarity and detail and offers an intriguing analysis of Kosovo s future status international recognition of secession implications of Yugoslavia s disintegration for other conflicts invoking right to self determination and international intervention in ethnic conflicts

The Bosnian Muslims in the Second World War Marko Attila Hoare, 2014-02-01 The story of the Bosnian Muslims in World War II is an epic frequently alluded to in discussions of the 1990s Balkan conflicts but almost as frequently misunderstood or falsified This first comprehensive study of the topic in any language sets the record straight Based on extensive research in the archives of Bosnia Herzegovina Serbia and Croatia it traces the history of Bosnia and its Muslims from the Nazi German and Fascist Italian occupation of Yugoslavia in 1941 through the years of the Yugoslav civil war and up to the seizure of power by the Communists and their establishment of a new Yugoslav state The book explores the reasons for Muslim opposition to the new order established by the Nazis and Fascists in Bosnia in 1941 and the different forms this opposition took It describes how the Yugoslav Communists were able to harness part of this Muslim opposition to support their own resistance movement and revolutionary bid for power This Muslim element in the Communists revolution shaped its form and outcome but ultimately had itself to be curbed as the victorious Communists consolidated their dictatorship In doing so they set the scene for future struggles over Yugoslavia s Muslim question
