British And American Women At Work Shirley Dex, Lois B Shaw, 1986-07-02

Women's Work in Britain and France

Abigail Gregory, Jan Windebank, 2000-01-27 Women's Work in Britain and France is a ground breaking retheorization of what constitutes progress in gender relations The book shows that French women although having more full time and continuous careers and greater social policy support retain as great a responsibility for unpaid domestic and caring work as their British counterparts It replaces the conventional focus upon encouraging women's increased insertion into employment as the principal strategy for achieving progress in gender relations with a new focus on changing men's work patterns

The Interplay Between Gender, Markets and the State in Sweden, Germany and the United States Lilja

Mosesdottir, 2024-11-01 This title was first published in 2001 The development of gender relations during the post war period in Sweden Germany and the US forms the core of this work It looks at the hierarchical relations between men and women based on economic political social and biological differentiations The analytical focus is primarily on how actors cultural norms and institutional arrangements interrelate and affect the relative position of men and women to create patterns forms of gender relations that vary across countries and change through time The main advantages of a comparative study is that it highlights the differences and similarities of the countries being compared This book argues that social blocks involving a stable system of relations that have challenged and become embedded into institutional arrangements are the main force creating differences in the patterns of gender relations across the countries

Work and Pay in 20th Century Britain N. F.

R. Crafts, Ian Gazeley, Andrew Newell, 2007-01-11 Written by leading British historians and economists this volume looks at how fundamental changes in British labor markets throughout the 20th century transformed the lives of the British people

Families and Family Policies in Europe Linda Hantrias, Marie-Therese Letablier, 2014-09-19 The family is currently a controversial topic both within the UK and Europe While demographic trends seem to suggest that family structures and attitudes within the European Union are converging and that member states are facing similar social problems their policy responses are very different This book examines the differences between these national responses and that of the EU as contained in the social chapter It analyses the key concepts underlying the formulation of family policy and illustrates it with the latest data much of it hitherto unpublished
