British Design Branding Graphics:

The Development of Corporate Design David Preston, 2025-10-16 Chronicling the emergence of brand consultancy this book explores how the development and proliferation of brand identity systems transformed the working methods and ideals of practicing graphic designers working in post war Britain Practitioners in Britain were at the forefront of efforts to transform corporate identity design into a recognised practice with its own codified methods Focussing particularly on the British experience the book also draws on the influences and developments in this formative era in other countries including the US and Germany During this period designers were struggling with two conflicting paradigms the socially motivated free spirited artist designer and the design entrepreneur as corporate agent David Preston uses three key design agencies as the springboard to explore this foundational period in the history of graphic design labour practices the practical rationality of Hans Schlegel Associates the systematic methods of Henrion Design Associates and the Design Research Unit and their design manual as an instrument of control These design agencies created some of the most striking and successful brand identities of the era the KLM logo the British Rail double arrow the John Lewis branding of the 1960s Glenfiddich s iconic triangular bottle the Post Office s house style the National Theatre logo and many more The case studies look at the power at play how branding became systematic the struggle between motives and standards and draws on first hand interviews with key actors and archival material A valuable contribution to our understanding of British post war graphic design and the history of branding *British Design* ,2007

Designing the BBC Iain Macdonald, Paula Williams, 2025-02-06 Designing the BBC provides an insider perspective on the groundbreaking work of the BBC s Television Graphic Design Department from 1954 2005 Drawing on the unique holdings of the BBC Motion Graphics Archive and first hand perspectives of former BBC staff this book provides a timely overview of over 50 years of the BBC s innovative practice and lasting impact in the field of television motion graphics Taking a thematic approach the volume considers the graphic design of a range of TV genres including household favourites such as Doctor Who sports programming such as Grandstand and big sporting events like the Olympics children s television including Grange Hill popular science programmes such as Tomorrow s World news output such as The Nine O Clock News Election Night specials the weather and the channel idents of BBC 2 The book brings together BBC staff with leading scholars in design and television studies who investigate the Archive bringing to life cultural memories and consider the Graphic Design Department s lasting impact both at the time and today *British Qualifications*
