Recharting the Thirties Patrick J. Quinn, 1996 The aim of Recharting the Thirties is to revitalize the awareness of the reading public with regard to eighteen writers whose books have been largely ignored by publishers and scholars since their major works first appeared in the thirties The selection is not based on a political agenda but encompasses a wide and divergent range of philosophies clearly the contrasts between Empson and Upward or between Powell and Slater indicated the wide ranging vision of the period Women writers of the period have largely been marginalized and the writings of Sackville West and Burdekin for example not only present distinct feminine voices of the period but also illuminate how much good literature has been forgotten **Dictionary of Literary Biography Documentary Series** , 1982 **The**

Undergraduate's Companion to African Writers and Their Web Sites Miriam E. Conteh-Morgan, 2005-10-30 Now a firmly established part of world literature course offerings in many general education curricula African literature is no longer housed exclusively with African Studies programs and is often studied in English French Portuguese Women s Studies and Comparative Studies departments This book helps fill the great need for research materials on this topic presenting the best resources available for 300 African writers These writers have been carefully selected to include both well known writers and those less commonly studied yet highly influential They are drawn from both the Sub Sahara and the Maghreb the major geographical regions of Africa The study of Africa was introduced into the curriculum of institutions of higher learning in the United States in the 1960s when the Black Consciousness movement in the United States and the Cold War and decolonization movements in Africa created a need for the systematic study of other regions of the world Between 1986 and 1991 three Africans won Nobel literature prizes Soyinka Mahfouz and Gordimer and the visibility of African writers increased They are now a firmly established part of world literature courses in many general education curricula throughout North America African Writers is meant to serve as a resource for introductory material on 300 writers from 39 countries These writers were selected on the basis on two criteria that there is material on them in an easily available reference work and that there is some information of research value on free Web sites Each writer is from the late 19th or 20th century with the notable exception of Olaudah Equiano an 18th century African whose slave narrative is generally considered the first work of African literature All entries are annotated

The Oxford Handbook of the British Musical Robert Gordon, Olaf Jubin, 2016-11-21 The Oxford Handbook of the British Musical provides a comprehensive academic survey of British musical theatre offering both a historical account of the musical s development from 1728 and a range of in depth critical analyses of the unique forms and features of British musicals which explore the aesthetic values and sociocultural meanings of a tradition that initially gave rise to the American musical and later challenged its modern pre eminence After a consideration of how John Gay s The Beggar s Opera 1728 created a prototype for eighteenth century ballad opera the book focuses on the use of song in early nineteenth century theatre followed by a sociocultural analysis of the comic operas of Gilbert and Sullivan it then examines Edwardian and interwar musical comedies and revues as well as the impact of Rodgers and Hammerstein on the West End before analysing the new forms of the postwar British musical from The Boy Friend 1953 to Oliver 1960 One section of the book examines the contributions of key twentieth century figures including Noel Coward Ivor Novello Tim Rice Andrew Lloyd Webber director Joan Littlewood and producer Cameron Macintosh while a number of essays discuss both mainstream and alternative musicals of the 1960s and 1970s and the influence of the pop industry on the creation of concept recordings such as Jesus Christ Superstar 1970 and Les Mis rables 1980 There is a consideration of jukebox musicals such as Mamma Mia 1999 while essays on overtly political shows such as Billy Elliot 2005 are complemented by those on experimental musicals like Jerry Springer the Opera 2003 and London Road 2011 and on the

burgeoning of Black and Asian British musicals in both the West End and subsidized venues The Oxford Handbook of the British Musical demonstrates not only the unique qualities of British musical theatre but also the vitality and variety of British musicals today
