Agricultural Policy Monitoring and Evaluation 2022
Reforming Agricultural Policies for Climate Change Mitigation OECD, 2022-06-23 This annual report monitors and evaluates agricultural policies in 54 countries including the 38 OECD countries the five non OECD EU Member States and 11 emerging economies It finds that the continued rise in agricultural support has been slower than sector growth in recent years but has been driven to record highs mainly by temporary factors

Rural Transformations and Rural Policies in the US and UK Mark Shucksmith, David L. Brown, Sally Shortall, Jo Vergunst, Mildred E. Warner, 2012-02-27 This book examines the transformations of rural society and economy in the UK and US during the last half century and explores the significance of these trends and changes for community sustainability quality of life and the environment While both the UK and US are highly urbanised rural people and communities continue to contribute to national identity economic development and social solidarity as well as to environmental quality Contributors explore the degree to which rural people exhibit agency and autonomy rather than being merely passive in the face of exogenous forces of change in a globalised world They also

illuminate very different policy approaches to rural policy in two advanced capitalist societies often thought to be similar and show how fundamental differences in rural policy approaches of the US and the UK are based on different social ideologies and values that shape policies relating to rural areas This book will help to stimulate transatlantic dialogue on rural scholarship and rural policy analysis while also contributing to theory and policy development It will be of interest to researchers students and everyone involved in the policy and practice of rural development **The UK Government's**
