Bright Green Lies Derrick Jensen,Lierre Keith,Max Wilbert,2021-03-16 This disturbing but very important book makes clear we must dig deeper than the normal solutions we are offered Yvon Chouinard founder of Patagonia Works Bright Green Lies exposes the hypocrisy and bankruptcy of leading environmental groups and their most prominent cheerleaders The best known environmentalists are not in the business of speaking truth or even holding up rational solutions to blunt the impending ecocide but instead indulge in a mendacious and self serving delusion that provides comfort at the expense of reality They fail to state the obvious We cannot continue to wallow in hedonistic consumption and industrial expansion and survive as a species The environmental debate Derrick Jensen and his coauthors argue has been distorted by hubris and the childish desire by those in industrialized nations to sustain the unsustainable All debates about environmental policy need to begin with honoring and protecting not the desires of the human species but with the sanctity of the Earth itself We refuse to ask the right questions because these questions expose a stark truth we cannot continue to live as we are living To do so is suicidal folly Tell me how you seek and I will tell you what you are seeking the German philosopher Ludwig Wittgenstein said This is the power of Bright Green Lies It asks the questions most refuse to ask and in that questioning that seeking uncovers profound truths we ignore at our peril Chris Hedges Pulitzer Prize winning journalist and author of America The Farewell Tour *Who Killed Honor Bright? How William Butler and George Yeats Caused the Fall of the Irish Free State* Patricia

Hughes, 2014 Authorities in the new Irish Free State harassed and murdered Honor Bright before maligning her as a prostitute and acquitting her assassin The newly founded Garda Siochana spread deceitful rumours and coerced witnesses to conceal Honor's true identity and the real reason for her death False evidence perjury and the silencing of potential witnesses led to huge public demonstrations but newspapers were coerced into printing only authorised stories or else face the consequences from the Garda or Ministry of Justice Find out why political support moved away from the Free State towards an independent Republic from 1926 and why so many were killed or fled Ireland And find out what part William Butler and his wife George Yeats played in the process

Burning Bright Megan Derr, Nine gods ruled the world until the ultimate betrayal resulted in their destruction Now the world is dying and only by restoring the Lost Gods can it be saved Nine hundred years ago the people of Pozhar killed the Firebird when he turned against them Unfortunately all that did was break his soul into a thousand pieces and scatter them throughout the kingdom To kill the Firebird once and for all they must find and sacrifice every reborn piece of soul and now they are only two pieces away Raz is one of the best thieves in the city working alongside his best friend Pechal and living in secret in the Cathedral of Ashes All he wants is a life of peace and safety Then Pechal proves to be the next sacrifice and they go on the run desperate to avoid seeing Pechal lost forever But notorious High Priest Dym will stop at nothing to fulfill his sacred duty and he is not the only one who wants Pechal captured and dead though his challenger isn't doing it to save Pozhar
