Brigid The Bad:

Brigid the Bad Kathleen Leverich,1995 Brigid wants her friends and family to do things her way but when she asks her fairy godmother Maribel for a spell to help Brigid learns that being bossy is not as much fun as she had thought **Brigid the Bad , The Good, the Bad, and the Pugly** Susan C. Daffron,2015-08-28 After a freak shopping cart accident Brigid Fitzpatrick takes stock of her life and wonders what happened Determined to reinvent herself Brigid sells off everything and rents a cottage in the small town of Alpine Grove Thanks to her military widow s pension she can take a much needed summer vacation Armed with piles of self improvement books Brigid sets out to rebuild her life When she adopts a sweet little dog named Gypsy Brigid finds out Gypsy isn t the only homeless dog in Alpine Grove Compelled to help animals with nowhere to go Brigid forges a plan when compassionate horse trainer Clayton Hadley agrees to help Forced to face deep seated fears Brigid finds herself intrigued by Clay s uncanny insights Plus how often do you get to meet a real life cowboy

Blood and Sand Elizabeth Hunter,2023-06-22 Dead women are showing up in the desert east of San Diego and no one understands why When the story comes to the attention of reporter Natalie Ellis she can t help but make comparisons to tragic deaths she d investigated years ago Are these women the victims of a serial killer or something even more insidious Bodies may be piling up in his sire s territory but water vampire and feared enforcer Baojia is stuck entertaining the rich and clueless at a club in San Diego He s taken his exile with all the grace he could muster but his patience is starting to thin Sparks fly when mortal and immortal are thrown together and Natalie comes face to face with a reality that was lurking in the corners of her life Pursuing the truth could cost Baojia everything including the mortal woman who has earned his grudging respect **BLOOD AND SAND** is the second novel in the expanded Elemental World series by Elizabeth Hunter author of the best selling Elemental Mysteries **Red Letter Days** Jeanne L. Jackson,1995 Covering the main festivals and saints days these 81 stories for primary school assemblies or for use with smaller groups of children reflect the rhythm and punctuation of the Christian year The stories are organized chronologically from Advent through the full year to St Catherine s Day and each one is preceded by an explanatory note or short biography Appendices include the dates of Easter and the other main Christian festivals for the next 30 years a chronology of saints and two indexes alphabetical and by theme

Depression Barbara Dowds,2021-04-19 This book attempts to do justice to the depth and complexity of depression as to its causes and its treatment in psychotherapy It challenges the reductive medical view of depression as a serotonin deficiency resulting in a collection of undesirable symptoms to be dispatched with antidepressants or CBT exercises Rather it locates the origins of depression in childhood adversity primarily caused by unattuned cold critical hostile or abusive caregiving Insecure attachment interacts with other elements of a stressful life history as well as with genetic makeup to pave the way for depression Such a childhood has long term impacts on the setting of the stress and threat responses of the nervous system Depression fundamentally indicates a weak and non resilient sense of self coupled with limited capacities for trust

and either autonomy or intimacy in relationships These are the issues that must be tackled in psychotherapy Since depression carries a message for the sufferer it must be investigated for its meaning Why has the individual withdrawn from life and what are they being asked to change in how they live and relate Before this reparative and creative phase of therapy can begin however we must remember that depression is not just low mood but also stuck mood Rigid beliefs and processes that block therapeutic engagement can be gently questioned by helping the client see that they are held by only one part of the self whereas other for growth parts carry hope and a willingness to play and explore Overall it is crucial in working with depression to see and to relate to the client as a whole person not simply a bundle of cognitive shortcomings to be corrected but as an emotional organismic relational existential and spiritual being Depression An Introduction presents a biopsychosocial model combining developmental and attachment perspectives with genetics and neurobiology Its therapeutic orientation is humanistic and integrative but has much to offer anyone wanting to know more about this widely known but little understood condition

The Maltese Falcon William Luhr, 1995 Few films have had the impact or retained the popularity of The Maltese Falcon An unexpected hit upon its release in 1941 it helped establish the careers of John Huston and Humphrey Bogart while also helping both to transform the detective genre of movies and to create film noir This volume includes an introduction by its editor and a shot by shot continuity of the film as well as essays on its production on literary and film traditions it drew upon and on its reputation and influence over the last half century Included are reviews from the time of the film s original release the enthusiastic French response in 1946 that helped define film noir and a close formal analysis of the film In addition the volume contains a comparison of this version to earlier film versions of the Dashiell Hammett novel and helpful explorations of cultural historical and psychoanalytic issues Like Casablanca The Maltese Falcon has attained iconic status this volume will contribute to the pleasure its many fans find in viewing the film again and again William Luhr is a professor of English at St Peter s College in New Jersey He is the author of Raymond Chandler and Film and co author of Blake Edwards and other books

Criminal Femmes Fatales in American Hardboiled Crime Fiction Maysaa Husam Jaber, 2016-02-02 This book fills a gap in both literary and feminist scholarship by offering the first major study of femme fatales in hardboiled crime fiction Maysaa Jaber shows that the criminal literary figures in the genre open up powerful spaces for imagining female agency in direct opposition to the constraining forces of patriarchy and misogyny

Betrayer's Bane Michael G. Manning, 2016-12-30 Tyrion has been given a second chance to cast aside his obsession with vengeance and lead his children to a brighter future But destiny has chosen Tyrion for a different path and given him the spark that will burn the world to ashes Forgoing peace he will reap a harvest of hatred and no one will find safety in the purge of fire that he brings Will anything be left to rise from the ash
