Bristol As It Was 191419:

The Grand Fleet 1914-19 Daniel G. Ridley-Kitts MBE,2013-11-01 During the First World War the reputation of the British Royal Navy was put on the line in its defence of the country and crucially it was in those years 1914 19 that the Grand Fleet became the single most potent weapon of war of any nation In this comprehensive illustrated history Ridley Kitts tells of the creation and development of the Grand Fleet under the drive of the energetic and charismatic Admiral of the Fleet Jacky Fisher who modernised the navy with the introduction of the revolutionary Dreadnought battleship This type of vessel in particular made other nations battleships obsolete created a powerful weapon for the defence of the British Empire and its trade and finally defeated the machinations of Kaiser William II Using unique illustrations rendered by the author the story of the Grand Fleet is told in accessible narrative style with outstanding technical detail that will satisfy naval enthusiasts
