Britain And Ireland 1914 1923

Peipei Pang

Britain And Ireland 1914 1923:

Asquith As War Leader George H. Cassar,1994-01-01 Asquith was at the pinnacle of his success when the course of his life and that of his country was changed by the outbreak of the First World War Instead of being over by Christmas 1914 the war became a stalemate with opposing trenches extending from the Channel coast to the Swiss border During the initial stages of the war Asquith s oratory tact and skill combined with his imperturbability and prestige made him indispensable As the war dragged on his failure to show the ruthlessness needed to win at any cost made him ill suited to direct the nation in total war In December 1916 Asquith was manoeuvred out of Downing Street by Lloyd George Asquith as War Leader is the first comprehensive study of this exceptionally talented Prime Minister s war record In a thorough examination of British war policy with its evolutionary shifts and internal dissensions George H Cassar has defined the precise nature of Asquith s involvement and responsibility He describes Asquith s part in bringing Britain into the war in shaping war aims and strategy and in mobilising the nation s resources Because he was not the Prime Minister who won in 1918 Asquith s achievements in dealing with the problems of fighting a war on an unprecedented scale have been insufficiently recognised Journal of the Royal Agricultural Society of England Royal Agricultural Society of England,1923 *Modern England, 1901-1984* Alfred F. Havighurst,2004-07-08 The most comprehensive bibliography of printed books articles and standard texts on twentieth century England The British Labour Party and the Establishment of the Irish Free State, 1918-1924 I. Gibbons,2015-04-16 This book examines the rapidly evolving relationship between the British Labour Party and the emerging Irish nationalist forces from which was formed the first government of the Irish Free State as both metamorphosed from opposition towards becoming the governments of their respective states *The Irish Question and British Politics, 1868-1996* George Boyce,1996-09-18 The problems of modern Ireland have attracted the attention of many British political leaders from Gladstone to Major Attempts to formulate a solution have been governed by the British perception of what the problem is and by the structures as well as the ideas of British party politics and British political life Ireland was never a laboratory in which dispassionate political experiments could be conducted Modern Ireland has been shaped by British policy and this has itself been influenced by British political habits and traditions social and economic reforms and new governmental institutions have been applied by politicians both of the left and the right The Framework Documents represent the latest attempt to achieve what Gladstone David Lloyd George and Neville Chamberlain sought and failed to achieve a lasting settlement of the political divisions within Ireland and between Ireland the Great Britain This book places the Irish question in the wider context of the history of the British Isles and thus seeks to explain its special place in British history as the Oldest Question and as a question for contemporary Britain Fully revised and with a new chapter to bring the analysis up to 1996 this new edition of Professor Boyce s work will be widely acclaimed Sessional Papers of the Dominion of Canada Canada. Parliament,1925 Report of the Dominion fishery commission on the fisheries of the province of Ontario

1893 issued as vol 26 no 7 supplement *Brassey's Naval Annual* ,1933 *British Imperialism* Rob Johnson,2017-03-14
What was British imperialism and was it an important element of modern globalization Were economic political or military factors paramount in imperial expansion Do post colonial theories assist or mislead historians How have histories of imperialism changed and are current analyses satisfactory Robert Johnson s invaluable guide offers a succinct easy to follow introduction to the key issues and historiography of British imperialism from its origins to the conversion to the Commonwealth *British Imperialism* Provides concise introductions to key questions and debates Takes a question based approach to analysis of the material Offers an assessment of the significance of economic military and political factors in imperial expansion and decolonization Presents critical appraisals of the most recent controversies including neo colonialism cultural imperialism post colonial theory and gender and imperialism Includes a useful guide to further reading Using vivid examples Johnson clearly explains the nature of British imperialism and enables the reader to understand the causes course and immediate consequences of the British colonial encounter on a world wide scale His book is an essential starting point for all those new to the subject and a helpful introduction to more recent debates **Monthly Statistical Statement**
