Britain, Spain and Gibraltar 1945-1990 R. H. Haigh, D S Morris, D. S. Morris, 2002-06-01 Since 1945 Gibraltar's sovereignty has repeatedly been questioned A strategic possession overlooking Africa at the mouth of the Mediterranean Gibraltar is the victim of both history and geography and continues to be the barometer of Anglo Spanish relations Arguing that Gibraltar has played a much more proactive role in negotiations than is assumed the book describes the objectives and actions of the Gibraltarians against the wider map of Anglo Spanish relations *Britain, Spain and Gibraltar 1945-1990* R. H. Haigh, D S Morris, D. S. Morris, 2002-06-01 Since 1945 Gibraltar's sovereignty has repeatedly been questioned A strategic possession overlooking Africa at the mouth of the Mediterranean Gibraltar is the victim of both history and geography and continues to be the barometer of Anglo Spanish relations Arguing that Gibraltar has played a much more proactive role in negotiations than is assumed the book describes the objectives and actions of the Gibraltarians against the wider map of Anglo Spanish relations *The Encyclopedia of the Cold War* Spencer C. Tucker, 2007-09-12 A comprehensive five volume reference on the defining conflict of the second half of the 20th century covering all aspects of the Cold War as it influenced events around the world The conflict that dominated world events for nearly five decades is now captured in a multivolume work of unprecedented magnitude from a publisher widely acclaimed for its authoritative military and historical references Under the direction of internationally known military historian Spencer Tucker ABC CLIO's The Encyclopedia of the Cold War A Political Social and Military History offers the most current and comprehensive treatment ever published of the ideological conflict that not so long ago enveloped the globe From the Second World War to the collapse of the Soviet Union The Encyclopedia of the Cold War provides authoritative information on all military conflicts battlefield and surveillance technologies diplomatic initiatives important individuals and organizations national histories economic developments societal and cultural events and more The nearly 1 300 entries plus topical essays and an extraordinarily rich documents volume draw heavily on recently opened Russian Eastern European and Chinese archives The work is a definitive cornerstone reference on one of the most important historical topics of our time **Cold War** Spencer C. Tucker, Priscilla Roberts, 2007-09-10 The most comprehensive and up to date student reference on the Cold War offering expert coverage of all aspects of the conflict in a richly designed format fully illustrated to give students a vivid sense of life in all countries affected by the war ABC CLIO is proud to announce the latest addition to its widely acclaimed legacy of historical reference works for students Under the direction of internationally known expert Spencer Tucker Cold War A Student Encyclopedia captures the vast scope day to day drama and lasting impact of the Cold War more clearly and powerfully than any other student resource ever published Ranging from the end of the Second World War to the collapse of the Soviet Union Cold War A Student Encyclopedia offers vivid portrayals of leading individuals significant battles economic developments societal cultural events changes in military technology and major treaties and diplomatic agreements The nearly 1 100 entries plus

topical essays and a documents volume draw heavily on recently opened Russian Eastern European and Chinese archives Enhanced by a rich program of maps and images it is a comprehensive current and accessible student reference on the dominant geopolitical phenomenon of the late 20th century **The Cold War** Spencer C. Tucker,2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material **Gibraltar and the Spanish Civil War, 1936-39** Julio Ponce Alberca,2014-11-20 Incorporating local national and international dimensions of the conflict Gibraltar and the Spanish Civil War 1936 39 provides the first detailed account of the British enclave Gibraltar s role during and after the Spanish Civil War The neutral stance adopted by democratic powers upon the outbreak of the Spanish Civil War is well known The Non Intervention Committee played a key role in this strategy with Great Britain a key player in what became known as the London Committee British interests in the Iberian Peninsula however meant that events in Spain were of crucial importance to the Foreign Office and the victory of the Popular Front in February 1936 was deemed a potential threat that could drive the country towards instability This book explores how British authorities in Gibraltar ostensibly initiated a formal policy of neutrality when the uprising took place only for the Gibraltarian authorities to provide real support for the Nationalists under the surface The book draws on a wealth of primary source material some of it little known before now to deliver a significant contribution to our knowledge of the part played by democratic powers in the 1930s confrontation between Communism and Fascism It is essential reading for anyone seeking a complete understanding of the Spanish Civil War **Historical Dictionary of Spain** Angel Smith,2017-12-29 Following Spain s transition to democracy in the 1970s the country experienced rapid economic modernization the establishment of a functioning liberal democracy and a cultural renaissance Along with rising living standards over the following thirty years ordinary Spaniards experienced massive improvements in the road and rail networks in local amenities from sporting facilities to centers for the aged and in the public health system

As a result by the start of the 20th century Spaniards had largely overcome any sense of inferiority in comparison with other major western European countries and the United States However Spain was hit by a severe economic recession between 2008 and 2011 and unemployment levels are still very high Moreover a large number of corruption cases have come to light and tensions between the central government and Catalan autonomous government have burst into open conflict Restructuring the Spanish economy ensuring probity in public life and accommodating Catalonia within the Spanish state are therefore key tasks in the decade the lies ahead This third edition of the Historical Dictionary of Spain contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has more than 700 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture The book is an excellent resource for students researchers and anyone wanting to know more about Spain *Ibss: Political Science: 1992* British Library of Political and Economic Science,1993 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences **Europe Since 1945** Bernard A. Cook,2014-01-27 Europe Since 1945 An Encyclopedia is a comprehensive reference work of some 1 700 entries in two volumes Its scope includes all of Europe and the successor states to the former Soviet Union The volumes provide a broad coverage of topics with an emphasis on politics governments organizations people and events crucial to an understanding of postwar Europe Also includes 100 maps and photos **Eurasia's Maritime Rise and Global Security** Geoffrey F. Gresh,2018-04-04 This book explores Eurasia s growing embrace of its maritime geography from the Indian Ocean to Pacific Asia and the Arctic In an age of climate change the melting of the Arctic will transform Eurasia s importance in addition to influencing the political economic and military dynamics across Eurasia s main maritime regions These emerging shifts have already begun to alter maritime trade and investment patterns and thus the global political economy It also creates a rising threat to the current status quo of world order that has long been dominated by the Atlantic World This edited volume showcases some of the world s leading experts and examines Eurasia from a saltwater perspective analyzing its main maritime spaces in a threefold manner as avenue as arena as source to show the significance of this geostrategic change and why it matters for the future of the world s oceans
