Britain and Foreign Affairs 1815-1885 John Lowe, 2005-08-31 Lowe examines British foreign policy from Castlereagh to Disraeli Focusing on relations with other European and non European powers the author discusses attitudes to empire and analyzes socio economic and political factors *A Companion to Nineteenth-Century Britain* Chris Williams, 2008-04-15 A Companion to Nineteenth Century Britain presents 33 essays by expert scholars on all the major aspects of the political social economic and cultural history of Britain during the late Georgian and Victorian eras Truly British rather than English in scope Pays attention to the experiences of women as well as of men Illustrated with maps and charts Includes guides to further reading *German Diplomatic Relations 1871-1945* William Young, 2006 Examines the continuity of German Foreign Office influence in the formulation of foreign policy under the leadership of Otto von Bismarck 1862 1890 Kaiser William II 1888 1918 the Weimar Republic 1919 1933 and Adolf Hitler 1933 1945 **Britain and the Regency of Tripoli** Sara M. ElGaddari, 2022-12-15 By the early 1820s British policy in the Eastern Mediterranean was at a crossroads Historically shaped by the rivalry with France the course of Britain's future role in the region was increasingly affected by concern about the future of the Ottoman Empire and fears over Russia's ambitions in the Balkans and the Middle East The Regency of Tripoli was at this time establishing a new era in foreign and commercial relations with Europe and the United States Among the most important of these relationships was that with Britain Using the National Archive records of correspondence of the British consuls and diplomats from 1795 to 1832 and within the context of the wider Eastern Question this book reconstructs the Anglo Tripolitanian relationship and argues that the Regency played a vital role in Britain's imperial strategy during and after the Napoleonic Wars Including the perspective of Tripolitanian notables and British diplomats it contends that the activities of British consuls in Tripoli and the networks they fostered around themselves reshaped the nature and extent of British imperial activity in the region **Belonging to the West: Geopolitical Myths and Identity in Modern Greece** Antonios Nestoras, 2023-11-13 Uncover the fascinating story of Greece's unwavering quest for European belonging This thought provoking book explores the intersection of geopolitics and political myth tracing Greece's enduring determination to align with Europe and the West From the early days of European integration to the challenges of the Eurocrisis Greece's commitment remains steadfast By analyzing the geopolitical myths that shape its identity the book illuminates the multifaceted factors driving Greece's pro European strategy and foreign policy By introducing and using Analytical Geopolitics as a pioneering approach the book provides a historical structural framework and expands the role of myth in understanding international relations Belonging to the West Geopolitical Myths and Identity in Modern Greece is now available in paperback for individual customers **1998** Massimo Mastrogregori, 2013-05-08 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most

recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors

Cumulative Bibliography of Victorian Studies, 1970 *The Irish Factor, 1899-1919* Jérôme aan De Wiel, 2008 This book examines strategic and diplomatic issues concerning Ireland at the beginning of the 20th century together with espionage sabotage and propaganda operations of foreign powers trying to manipulate Ireland Focussing on continental European powers such as Austria Hungary France Germany and to a lesser extent Russia the book is based on research in diplomatic and military archives notably in Berlin Brussels Paris and Vienna The research unearthed many unknown documents which in turn produced some unexpected revelations During the Boer War the French envisaged a landing in Ireland to strike at Britain They had also financed the activities of certain Irish nationalists The Germans and the French battled in the United States in order to control the influential Irish American community The comparison of documents found in archives in London and Berlin shows that some British officials let the Easter Rising of 1916 deliberately happen the aim being the decapitation of the Irish republican movement The book also reveals the existence of hitherto relatively unknown characters which played their part in the course of Irish history The correspondence between George Freeman in New York and Professor Theodor Schiemann in Berlin sheds light on Germany's interest in Irish and Irish American republican movements France's diplomatic icons Paul and Jules Cambon became increasingly aware of the Irish world's threat after the signing of the Entente Cordiale in 1904 *International Affairs*, 1998 *Current Geographical Publications* University of Wisconsin--Milwaukee. Library, 1999 Current Geographical Publications CGP is a non profit service to the scholarly community initiated in 1938 by the American Geographical Society of New York Beginning in 2006 the format changed to include the tables of contents of current geographical journals The journal titles listed link to web pages or PDF scans of the current issue's contents
