British Abolitionism And The Rhetoric Of Sensibility Writing Sentiment And Slavery 1760-1807

Brycchan Carey, Geoffrey Plank

British Abolitionism And The Rhetoric Of Sensibility Writing Sentiment And Slavery 17601807:

British Abolitionism and the Rhetoric of Sensibility B. Carey, 2005-08-31 British Abolitionism and the Rhetoric of Sensibility argues that participants in the late eighteenth century slavery debate developed a distinct sentimental rhetoric using the language of the heart to powerful effect in the most important political and humanitarian battle of the time Examining both familiar and unfamiliar texts including poetry novels journalism and political writing Carey shows that slave owners and abolitionists alike made strategic use of the rhetoric of sensibility in the hope of influencing a reading public thoroughly immersed in the cult of feeling **Affect and Abolition in the Anglo-Atlantic, 1770-1830** Stephen Ahern, 2016-12-05 At the turn of the nineteenth century writers arguing for the abolition of the slave trade and the emancipation of those in bondage used the language of sentiment and the political ideals of the Enlightenment to make their case This collection investigates the rhetorical features and political complexities of the culture of sentimentality as it grappled with the material realities of transatlantic slavery Are the politics of sentimental representation progressive or conservative What dynamics are in play at the site of suffering What is the relationship of the spectator to the spectacle of the body in pain The contributors take up these and related questions in essays that examine poetry plays petitions treatises and life writing that engaged with contemporary debates about abolition **Slavery, Abolitionism and Empire in India, 1772-1843** Andrea Major, 2012-02-21 This book explores the complex interactions between imperial expansion political abolitionism and colonial philanthropy that underpinned the ambivalent attitudes of both British evangelicals and East India company officials towards the existence of slavery in India in the period 1772 1843 **Maria Edgeworth and Abolition** Robin Runia, 2022-10-14 This Palgrave Pivot offers new readings of Maria Edgeworth's representations of slavery It shows how Edgeworth employed satiric technique and intertextual allusion to represent discourses of slavery and abolition as a litmus test of character one that she invites readers to use on themselves Over the course of her career Edgeworth repeatedly indicted hypocritical and hyperbolic misappropriation of the sentimental rhetoric that dominated the slavery debate This book offers new readings of canonical Edgeworth texts as well as of largely neglected works including *Whim* for *Whim* *The Good Aunt Belinda* *The Grateful Negro* *The Two Guardians* and *Harry and Lucy Continued* It also offers an unprecedented deep dive into an important Romantic Era woman writer's engagement with discourses of slavery and abolition ***Quakers and Abolition*** Brycchan Carey, Geoffrey Plank, 2014-03-30 This collection of fifteen insightful essays examines the complexity and diversity of Quaker antislavery attitudes across three centuries from 1658 to 1890 Contributors from a range of disciplines nations and faith backgrounds show Quaker's beliefs to be far from monolithic They often disagreed with one another and the larger antislavery movement about the morality of slaveholding and the best approach to abolition Not surprisingly contributors explain this complicated and evolving antislavery sensibility left behind an equally complicated legacy While Quaker antislavery was a powerful contemporary influence in both the United States and Europe

present day scholars pay little substantive attention to the subject This volume faithfully seeks to correct that oversight offering accessible yet provocative new insights on a key chapter of religious political and cultural history Contributors include Dee E Andrews Kristen Block Brycchan Carey Christopher Densmore Andrew Diemer J William Frost Thomas D Hamm Nancy A Hewitt Maurice Jackson Anna Vaughan Kett Emma Jones Lapsansky Werner Gary B Nash Geoffrey Plank Ellen M Ross Marie Jeanne Rossignol James Emmett Ryan and James Walvin

Granville Sharp's Uncovered Letter and the Zong Massacre Michelle Faubert, 2018-08-02 This book delineates the discovery of a previously unknown manuscript of a letter from Granville Sharp the first British abolitionist to the Lords Commissioners of the Admiralty In the letter Sharp demands that the Admiralty bring murder charges against the crew of the Zong for forcing 132 enslaved Africans overboard to their deaths Uncovered by Michelle Faubert at the British Library in 2015 the letter is reproduced here accompanied by her examination of its provenance and significance for the history of slavery and abolition As Faubert argues the British Library manuscript is the only fair copy of Sharp s letter and extraordinary evidence of Sharp s role in the abolition of slavery

Greatest Emancipations Jim Powell, 2008-06-24 The Astonishing Story of How Slavery Was Abolished in a Single Century Freeing Over Seven Million Slaves For millennia slavery went unchallenged in principle Then in a remarkable turn of events slavery was eradicated in the span of just one century Greatest Emancipations tells this incredible story focusing on the countries that accounted for the vast majority of slaves in the west Haiti the British Caribbean the United States Cuba and Brazil Author Jim Powell offers surprising insights into the process and tremendous influence that slavery s abolition had on individual societies He reveals that while the eradication of slavery was essential for any free society it wasn t the sole determining factor as some societies that abolished slavery later embraced dictatorships Discover the historical abolition movements and the evolution of democracy that led to the emancipation of over seven million slaves Greatest Emancipations is a compelling look at a pivotal moment in western history exploring the end of slavery and its impact on civil rights equal rights and capitalist developments

Anti-Slavery and Australia Jane Lydon, 2021-03-15 Bringing the histories of British anti slavery and Australian colonization together changes our view of both This book explores the anti slavery movement in imperial scope arguing that colonization in Australasia facilitated emancipation in the Caribbean even as abolition powerfully shaped the Settler Revolution The anti slavery campaign was deeply entwined with the administration of the empire and its diverse peoples as well as the radical changes demanded by industrialization and rapid social change in Britain Abolition posed problems to which colonial expansion provided the answer intimately linking the end of slavery to systematic colonization and Indigenous dispossession By defining slavery in the Caribbean as the opposite of freedom a lasting impact of abolition was to relegate other forms of oppression to lesser status or to deny them Through the shared concerns of abolitionists slave owners and colonizers a plastic ideology of free labour was embedded within post emancipation imperialist geopolitics justifying the proliferation of new forms of unfree labour and defining new racial categories The celebration of

abolition has overshadowed post emancipation continuities and transformations of slavery that continue to shape the modern world *Encyclopedia of Emancipation and Abolition in the Transatlantic World* Junius P. Rodriguez, 2015-03-26 The struggle to abolish slavery is one of the grandest quests and central themes of modern history These movements for freedom have taken many forms from individual escapes violent rebellions and official proclamations to mass organizations decisive social actions and major wars Every emancipation movement whether in Europe Africa or the Americas has profoundly transformed the country and society in which it existed This unique A Z encyclopedia examines every effort to end slavery in the United States and the transatlantic world It focuses on massive broad based movements as well as specific incidents events and developments and pulls together in one place information previously available only in a wide variety of sources While it centers on the United States the set also includes authoritative accounts of emancipation and abolition in Europe Africa the Caribbean and Latin America The Encyclopedia of Emancipation and Abolition provides definitive coverage of one of the most significant experiences in human history It features primary source documents maps illustrations cross references a comprehensive chronology and bibliography and specialized indexes in each volume and covers a wide range of individuals and the major themes and ideas that motivated them to confront and abolish slavery Emma Corbett Samuel Jackson Pratt, 2011-12-30 Set both in England and in America Emma Corbett is the moving story of a family torn apart by the American revolutionary war Edward Corbett and Henry Hammond are brought up together and go on to marry each other's sisters but fight on opposite sides in the war Emma Corbett Edward's sister follows Henry to Pennsylvania Disguised as a man she fights for the British before finding Henry and saving his life but the war and its aftermath have tragic consequences for all four young people This powerful epistolary novel was a transatlantic best seller in part because both sides of the conflict are fully represented as are the miseries and terrible costs of war Appendices include contemporary reviews as well as contemporary writings on heroism sensibility and women and war A series of personal letters between Pratt writing as Courtney Melmoth and Benjamin Franklin for whom he worked in France are also included

This is likewise one of the factors by obtaining the soft documents of this **British Abolitionism And The Rhetoric Of Sensibility Writing Sentiment And Slavery 17601807** by online. You might not require more mature to spend to go to the books instigation as capably as search for them.
