British Columbia A Centennial Anthology:

British Columbia, a Centennial Anthology. Reginald Eyre Watters... Reginald Eyre Watters, 1958 British Columbia: a centennial anthology. Reginald E. Watters, editor-in-chief. (Second printing.) [With illustrations.] Reginald Eyre Watters, 1958 *British Columbia, a Centennial Anthology*, 1958 **British columbia**, 1958 Anthologizing Canadian Literature Robert Lecker, 2015-11-02 The first collection of critical essays devoted to the study of English Canadian literary anthologies brings together the work of thirteen prominent critics to investigate anthology formation in Canada and answer these key questions Why are there so many literary anthologies in Canada and how can we trace their history What role have anthologies played in the formation of Canadian literary taste How have anthologies influenced the training of students from generation to generation What literary values do the editors of various anthologies tend to support and how do these values affect canon formation in Canada How have different genres fared in the creation of literary anthologies How do Canadian anthologies transmit ideas about gender region ideology and nation Specific essays focus on anthologies as national metaphors the controversies surrounding early literary collections representations of First Nations peoples in anthologies and the ways in which various editors have understood exploration narratives In addition the collection examines the representation of women in Canadian anthologies the use of anthologies as teaching tools and the creation of some very odd Canadian anthologies along the way The British Columbia Historical Quarterly, 1958 *Creative Canada*, 1971-12-15 Did he ever play Hamlet Has she worked in television What was the title of his first novel Under whom did she study How many children has he Answers to such questions about contemporary Canadian artists have often been difficult even impossible to find This series has been created to provide the answers it covers creative and performing artists who have contributed as individuals to the culture of Canada in the twentieth century Each volume in the series presents a cross section of many different kinds of artists authors of imaginative works artists and sculptors musicians performers composers conductors and directors and performing artists in ballet modern dance radio theatre television and motion pictures directors designers and producers in theatre cinema radio television and the dance choreographers and for cinema cartoonists and animators Within each category of art is included a selection of those who have achieved national and international recognition those who have been recognized locally and some now deceased who markedly influenced their contemporaries locally nationally or internationally This is not a critical compilation rather it is an objective and factual reference work for those interested in contemporary Canadian culture Information was collected by painstaking research in a wide variety of sources and wherever possible it has been verified by the artist to make each entry as accurate and comprehensive as possible *Britannia's Navy on the West Coast of North America, 1812-1914* Barry Gough, 2016-10-04 The influence of the Royal Navy on the development of British Columbia and the Pacific Northwest was both extensive and effective Yet all too frequently its impact has been ignored by historians who instead focus on the influence of explorers fur traders settlers and

railway builders In this thoroughly revised and expanded edition of his classic 1972 work naval historian Barry Gough examines the contest for the Columbia country during the War of 1812 the 1844 British response to the aggressive American agenda of President Polk s Manifest Destiny and cries of Fifty four forty or fight the gold rush invasion of 30 000 outsiders and the jurisdictional dispute in the San Juan Islands that spawned the so called Pig War The author also looks at the Esquimalt based fleet in the decade before British Columbia joined Canada and the Navy s relationship with coastal indigenous peoples over the five decades that preceded the Great War **White Space** Daniel J. Keyes, Luis L.M. Aguiar, 2021-12-15 Much attention has been paid to race in the Canadian metropolis but how are the workings of whiteness manifested in the rural urban White Space analyzes the dominance of whiteness in the Okanagan Valley of British Columbia to expose how this racial notion sustains forms of settler privilege today Contributors to this perceptive collection critique the cultural economics of whiteness and white supremacy The first half documents the historical construction of whiteness how settlers and their ancestors have sought to exalt pioneers by erasing non whites from the region s heritage while Indigenous people resist this white out The second half explores the persistence of whiteness as an organizing principle in the neoliberal deindustrialized present White Space moves beyond appraising whiteness as if it were a solid and unshakable category Instead it offers a powerful demonstration of how the concept can be re envisioned resisted and reshaped in contexts of economic change **British Columbia Library Association Bulletin** ,1957 Beginning Jan 1960 some issues include numbered section Early British Columbia imprints
