Studies in Britain this volume covers a century of Marxist writing balancing synoptic accounts of the various schools of Marxist thought with detailed analyses of the most important writers Arguing that a recognisably Marxist tradition of cultural analysis began in the last two decades of the nineteenth century and continues unbroken to the present day British Marxism and Cultural Studies traces the links between contemporary developments in the field and the extended tradition of which they form a part With discussion of figures such as Jack Lindsay C L R James Julian Stallabrass and Mike Wayne as well as the cultural thinking of the New Left Gramscian Althusserian and Political Economy schools this book shows that the history of British cultural Marxism is broader and richer than many people realise As such it will be of interest to scholars and students of sociology cultural studies intellectual history and the history of the Left

Black British Cultural Studies

Houston A. Baker (Jr.), Manthia Diawara, Ruth H. Lindeborg, 1996-09 Black British Cultural Studies has attracted significant attention recently in the American academy both as a model for cultural studies generally and as a corrective to reigning constructions of Blackness within African American studies This anthology offers the first book length selection of writings by key figures in this field From Stuart Hall's classic study of racially structured societies to an interview by Manthia Diawara with Sonia Boyce a leading figure in the Black British arts movement the papers included here have transformed cultural studies through their sustained focus on the issue of race Much of the book centers on Black British arts especially film ranging from a historical overview of Black British cinema to a weighing of the costly burden on Black artists of representing their communities Other essays consider such topics as race and representation and colonial and postcolonial discourse This anthology will be an invaluable and timely resource for everyone interested in cultural studies It also has much to offer students of anthropology sociology media and film studies and literary criticism
