*British Warships Since 1945. Part 3. Destroyers* Mike Critchley, 1982      **British Destroyers & Frigates** Norman Friedman, 2012-10-22 A comprehensive survey of the design history and development of the Royal Navy's greyhounds of the sea WARSHIPS Magazine Since World War II the old categories of destroyer and frigate have tended to merge a process that this book traces back to the radically different Tribal class destroyers of 1936 It deals with the development of all the modern destroyer classes that fought the war looks at the emergency programs that produced vast numbers of trade protection vessels sloops corvettes and frigates then analyzes the pressures that shaped the post war fleet and continued to dominate design down to recent years Written by America's leading authority and featuring photos and ship plans it is an objective but sympathetic view of the difficult economic and political environment in which British designers had to work and benefits from the author's ability to compare and contrast the US Navy's experience Norman Friedman is renowned for his ability to explain the policy and strategy changes that drive design decisions and his latest book uses previously unpublished material to draw a new and convincing picture of British naval policy over the previous seventy years and more Includes photos

**Ships Monthly**, 1989      *Our Falklands War* Geoffrey Underwood, 1983      [Bibliography of Nautical Books](#) Alan Obin, 2000-02 This is the 15th annual edition of the Bibliography of Nautical Books a reference guide to over 14 000 nautical publications It deals specifically with the year 2000      **Armed Forces**, 1982      **Falklands** Mike Critchley, 1982 En engelsk billedreportage dkkende Falklandskrigens første tid indtil omkring medio maj 1982 Præsentationer og pressebilleder      *South Africa's Fighting Ships* Allan Du Toit, 1992      **Spoils of War** Aidan Dodson, Serena Cant, 2020-03-30 An extensive history of enemy fleets following both World Wars featuring never before seen archival and archaeological materials Spoils of War traces the histories of navies and ships of the defeated powers from the months leading up to the relevant armistices or surrenders to the final execution of the appropriate post war settlements In doing so it discusses the way in which the victorious powers reached their final demands how these were implemented and to what effect The later histories of ships that saw subsequent service either in their original navies or in those navies which acquired them are also described Much use is made of archival materials and in some cases archaeological sources some of which have never previously been used Ultimately a wide range of long standing myths are busted and some badly distorted modern views are set right The fascinating narrative is accompanied by lists of all major navy built and certain significant ex mercantile enemy ships in commission at the relevant date of the armistice or surrender or whose hulks were specifically listed for attention in post Second World War allied agreements These include key dates in their careers and their ultimate fates This original book featuring numerous photographs is sure to become an essential reference tool for all those interested in the naval history of the two World Wars Praise for Spoils of War Most highly recommended Firetrench For those who need to finally know the ultimate fate of the often gallant ships that strove against the Allies in both world wars this is the book Julian Stockwin
